I wish to acknowledge, with grateful thanks, the help and assistance given to me by the Secretaries, Scribes, Recorders etc. of the various Masonic Orders in the Province, the Provincial Executive and my colleagues in the Provincial Secretariat for their unstinting support during my ten year tenure as Editor. I wish my successor, W.Bro. Mark Garfield, every success for the future.

The Provincial Office is manned by volunteers and it is reasonable to assume that if you telephone there might not be anyone in attendance. In that case there are two alternative routes to follow;

* Leave a message on the answer machine and someone will get back to you the next time the office is manned, or,

* E-mail your request; again someone will get back to you. The e-mails can be accessed remotely and therefore may well be answered in a shorter time span than a telephone message.

Master Masons who are not members of Provincial Grand Lodge are invited by the R.W. Provincial Grand Master to attend Provincial Grand Lodge, but they cannot vote.

Any Brother addressing, or addressed by, the R.W. Provincial Grand Master or his Deputy, or his Assistant, should stand to order as a Master Mason.

Masters and Wardens of private lodges, who are expected to attend Provincial Grand Lodge, should wear their Collars in the Grand Lodge or in the Provincial Grand Lodge. The Collars of all other Officers of private lodges should only be worn in their own lodges (B.C. 263).

Active Provincial Grand Stewards should wear Collars of crimson ribbon, which are the property of Provincial Grand Lodge. Past Provincial Grand Stewards should wear Collars of crimson ribbon with a silver cord in the centre.

Past Masters should wear their Collars on all occasions on which Craft Clothing is worn (B.C. 264).

All applications or communications to the Provincial Grand Master or his Deputy or Assistant must be made through the Provincial Grand Secretary, or in his absence, his Assistant.

Members may contact their Provincial Representatives on matters related to their own lodge.

LODGES

Provincial By-Laws - The Master of each Lodge in the Province will be responsible to see that By-Laws 12, 13, 14 and 15 are observed.

No Brother can hold more than one *regular* office in the lodge at one and the same time. The *regular* Officers are the Master, two Wardens, Treasurer, Secretary, two Deacons, Inner Guard and Tyler. He will appoint as additional officers an Almoner and Charity Steward (to rank above Deacons) and he may also appoint as *additional* officers a Chaplain, Director of Ceremonies, Mentor, Assistant Director of Ceremonies, Organist, Assistant Secretary and Stewards (B.C. 104), but no others.

The Immediate Past Master of the Lodge is not an Officer by virtue of that rank.

Every Brother who has been initiated into Masonry in a Regular Lodge not under the Constitution of the United Grand Lodge of England shall, previous to his becoming a member of any Lodge, make a declaration in open Lodge in conformity with Rule 163 B. of C., and wear English Craft Regalia. The Declaration to the Constitution of the United Grand Lodge of England must be recorded in the Minutes of the Lodge.

No candidate should be proposed for initiation until enquires have been made as to his suitability. If a candidate has no permanent home or business address in the Province, Rule 158 B. of C. must be observed.

No Member from a Foreign Constitution who wishes to join a Lodge in the Province should be proposed without reference to the Provincial Grand Secretary, as Members have been elected and subsequently found ineligible.

When considering a member for Honorary Membership, approval should first be obtained from the Provincial Grand Secretary.

Secretaries should always have at hand for reference, up-to-date copies of the Book of Constitutions, the By-Laws of Provincial Grand Lodge, the By-Laws of the Lodge, and the Masonic Year Book.

Amendments to By-Laws of Craft Lodges in the Province must be submitted to the Provincial Grand Secretary for approval. When approved, three *printed* copies should be sent to the Provincial Grand Secretary, one of which will be forwarded to the United Grand Lodge of England, and one returned to the Lodge.

When a Lodge Meeting is held under a Dispensation, the Dispensation should be read immediately *after* the Lodge is opened.

NOTES FOR DIRECTORS OF CEREMONIES

The Lodge Director of Ceremonies is responsible for seeing that the Lodge is laid out correctly and attention is drawn to the 'Notes on Ritual and Procedure' which are included at the front of the Revised Edition of the Emulation Ritual. Particular attention should be paid to the sub-section referring to 'The VSL' and to the positioning of the Square and Compasses.

RECEPTION OF PROVINCIAL GRAND MASTER, HIS DEPUTY, OR ASSISTANT

When the Provincial Grand Master or his Deputy or Assistant visits a Lodge, the Worshipful Master will open the Lodge and before the minutes are taken, an escort of Provincial Grand Officers, who will have remained outside the door of the Lodge and who will have been selected by the Provincial D of C (or his Deputy or Assistant) will form a procession, juniors leading, and precede the distinguished visitor into the Lodge.

The Worshipful Master, standing in his place, offers his gavel to him.

The gavel should not be offered to any other Provincial Grand Officer.

The same Provincial Officers, order reversed, will escort the visitor from the Lodge after closing. (Should a member of the **escort** be an acting officer of the Lodge he will not wear his Lodge collar either during the procession in or out. This does **not** apply to the Lodge D.C., A.D.C., S.D., J.D., S.W. or J.W.).

RECEPTION OF VISITORS

The D. of C. should see that each visitor before his admission to the Lodge is properly vouched for or properly examined by a qualified Officer. A visitor not vouched for must produce his Grand Lodge Certificate prior to his examination. The D. of C. (or his Assistant) should meet visitors on their entrance to the Lodge Room and conduct them to their seats to the right of the Master. No Brother is allowed to vouch for a visitor unless he has sat with him in open Lodge.

ARRANGEMENT OF SEATS

The Provincial Grand Master, his Deputy or Assistant should be seated on the Master's immediate right. (*A Provincial Officer e.g. Warden, when specially visiting a Lodge representing the Provincial Grand Master shall be placed on the immediate right of the Brother presiding (B.C. 124).*)

Any Officer, Present and Past of Grand Lodge should be seated on the Master's right in order of seniority, next to the Assistant Provincial Grand Master.

The Provincial Group Representative, acting Provincial Grand Officers of Suffolk (in rank order) and Visiting Masters (in numerical order) should then be seated next to the Grand Officers.

The Past Masters of the Lodge should be seated on the left of the Master, the Immediate Past Master first, then the Chaplain, followed by the others in order of rank, seniors first.

The Treasurer's seat is normally at the Secretary's table.

Provincial Grand Master.....	7
Deputy Provincial Grand Master.....	5
Assistant Provincial Grand Master.....	5
Other Right Worshipful (R.W.) Brethren.....	7
Grand Chaplains, Registrars, Secretaries, Directors of Ceremonies, Grand Sword Bearers and other Brethren entitled to use the prefix Very Worshipful (V.W.).....	5
Past Deputy and Assistant Prov. G. Master.....	5
Other Grand Officers.....	3

Other Provincial Grand Officers are saluted with 3 only on their appointment, or when representing the Provincial Grand Master, or visiting at his special request. (B.C. 124). For precedence and salutes, see B.C. 5 and 6.

No Brother, whilst acting in a higher Office, may receive a salute other than that to which he is personally entitled.

CLOTHING

The D. of C. should see that Brethren are properly clothed before admission into the Lodge. Morning dress, uniform or dark suit, white collar and black tie, white gloves will be worn. Aprons should be worn over dinner jackets. Only Craft and Royal Arch Jewels are permitted in a Craft Lodge and should be worn on the breast pocket, not on the collar. Provincial Grand Chapter Collars may not be worn in Craft Lodges.

When a Past Master occupies the chair the Master should NOT hand over his collar. This may be worn by the Master only. The Past Master should be clothed according to his rank. Every Past Master should wear a Past Master's collar on all occasions when he wears his apron.

TOASTS

When a toast has been honoured the reply should be taken at once and not delayed by a song. (The Master's Song is part of the toast.)

It is a good rule to have one reply only to each toast and that both toast and reply should be short.

By immemorial custom the Tyler has the right to give the last toast and the Brethren should remain seated while he proposes the toast and rise to honour it.

Note. - The RW the Provincial Grand Master, or his Deputy or Assistant, and the Master or Officer actually presiding at the Banquet only may challenge Lodges, or Brethren collectively, to take wine with him at the Banquet.

EMERGENCY MEETINGS

An Emergency Meeting may be held by dispensation, subject to strict guidelines.

Only the business for which the dispensation has been requested may be transacted. Unless specifically requested there should be no reports, risings, nor a collection for charity. Minutes of previous meetings are not read.

WHITE TABLE PROCEDURE

The following policy should be followed when Ladies or Non-Masons are present.

A 'White Table' should be avoided at Installation, or Initiation meetings.

An Official Visit should not preclude the holding of a 'White Table'.

Should the WM wish to address the members of the Lodge on any Masonic subject, this should take place during the meeting and not at the after-proceedings.

The charity collection should be taken during the Lodge meeting.

If the Provincial Grand Master (or his Deputy or Assistant) is present on an Official Visit, the after-proceedings will be conducted by the escorting Provincial (Deputy or Assistant) Director of Ceremonies.

At the after-proceedings, the WM should be referred to as 'Worshipful Master'.

When addressing the assembled company, the prefix 'Ladies, Gentlemen (if present) and Brethren', should be used.

When saying Grace, it is preferable to omit Masonic references. The WM should refer to the Brother saying Grace as 'The Lodge Chaplain'.

The following wine-taking *only* should be observed:

The Worshipful Master will be pleased to take wine with the Provincial Grand Master/DPGM/APGM.

The Worshipful Master will be pleased to take wine with you all and requests that you remain seated.

The Provincial Grand Master/DPGM/APGM will be pleased to take wine with you all and requests that you remain seated.

The Worshipful Master will be pleased to take wine with the Ladies and requests that they remain seated.

The following Toasts *only* should be given: (by the WM)

'The King and the Craft'.

'The Most Worshipful The Grand Master His Royal Highness the Duke of Kent'.

'The Provincial Grand Master'.

*The Tyler's Toast and 'Fire' is **not** to be given*

In the presence of Non-Masons, the Temple should be referred to as 'the Lodge Room'.

REPORT BY THE ACTING PROVINCIAL GRAND TREASURER

Right Worshipful Provincial Grand Master and Brethren, I have pleasure in presenting the Provincial Grand Lodge of Suffolk accounts for the Year ended 31st December 2022.

The suspension imposed on activities due to COVID 19 were lifted in autumn 2021, and we were all looking forward to a full Masonic year. Unfortunately, Robert Clubb, the Provincial Treasurer had been progressively unwell from the middle of 2021 and was sadly called to the Grand Lodge above in August 2022 after a long and difficult battle with his illness.

I was asked to act as Treasurer, pending the appointment of a successor to W. Bro. Robert Clubb and since that time I have reviewed the accounts and brought them up to date. I have also undertaken an in depth review of Lodge dues, as there appeared to be some discrepancies, caused in some part by the suspension of activities, but I now believe, following the review, these to be up to date.

In completing the accounts, debtors now include all Lodge dues expected during the year, up to and including December, which will enable easier tracking in the future. It is recommended that this practice is continued.

The accounts show that income for the year was c£4k higher than 2021, with increases seen from all sources. Appointment and Promotion fees (Honour fees) and Regalia sales were both appreciably higher.

Expenditure for the year was substantially lower, due primarily to the printing and publication cost of the 250th Anniversary Book in 2021. Most other areas were broadly in line with 2021, with the exception of donations as we made a donation to the Province of Cambridge Festival (a reciprocal arrangement).

The net result was a surplus of £14k which has been retained to General Reserves which now stand at £112k. Consideration should be given to transferring some of these funds to the Future Events Fund and/or The Masonic Centre's Fund.

The Almoners Benevolent Funds are now substantial at over £20k, which are held in a separate account by the Almoner. The Almoner produces his own accounts which are Audited, before being incorporated into the Provincial accounts.

Overall, the Province is in a healthy financial position.

I wish to thank W. Bros. Roger Young and Peter Wilson for examining the accounts so quickly; W. Bro. Roger Girling for auditing the accounts and assistance with missing information during my review; W. Bro. Trevor Tinley for his support from Provincial Office and W. Bro. Roger Nash for keeping me up to date with bank activity, general support and encouragement.

I would also like to wish the new Treasurer, W. Bro. Paul Rayner, every success when he takes up the reins in May.

I propose the accounts are presented to the Members for adoption.

W. Bro K. G. Cook

Acting Provincial Grand Treasurer

REPORT OF THE PROVINCIAL GRAND SECRETARY

Right Worshipful Provincial Grand Master and brethren, I have much pleasure in presenting my annual report for the year ending 31st December 2022.

It would be wrong not to begin this report without mention of the biggest fundamental change to the administration systems of the Craft that we had undertaken for a very long time. Possibly ever. Hermes has completely changed the way that we conduct the processes of introducing new and joining members into our organisation, and the way that meeting Summonses are created. Gone are all the paper forms that we previously filled in, many of which duplicated the same information, and the whole process of planning a meeting, and recording the post meeting minutes has gone electronic and on-line. Anyone who has been involved with the roll out of a new computer system will tell you there are always unexpected minor problems, and such was the case with Hermes. However, under the guidance of our Hermes Champion Geoff Spencer, and his two right hand men Richard Vickerstaff and Paul Filby, who between them hosted over a hundred Zoom training sessions for lodge Secretaries and Chapter Scribes E, we have experienced remarkably few issues. Those we have come across, have in the main been solved readily in house or with the assistance of the Hermes team at UGLE. I would like to put on record my thanks to the three of them who have committed themselves to many hours of additional work which they have carried out with great professionalism and commitment. It is worth noting, that at the recent annual meeting of lodge Secretaries, where Hermes was a principal item on the agenda, there were remarkable few adverse comments or questions.

That vital link between the lodge and province, the Provincial Representatives, have undergone a few changes during the year with Charlie Neale Group 2, Mark Dunn Group 3, Roger Cawston Group 7 and Graham Mason Group 9 joining the team. I would like to thank their predecessors Mike Dobson, Nigel Gregory, Kelvin Larcombe and Jack Clarke respectively for their many visits to the lodges in their respective groups, and the enormous amount of assistance they have given to me in conveying information, in both directions, between the provincial team and lodge secretaries. Their roll is vital to the smooth running of our province.

The provincial Orator, Larry Bensusan, who is responsible for learning and development has introduced a series of on-line Zoom meetings for new members of the Craft this year. Aably assisted by Chris Skews, these interactive meetings enable Entered Apprentices, Fellow Craft and Master Masons to understand more thoroughly the ceremonies through which they have recently passed, and the traditions of our organisation, allowing them to integrate more swiftly into lodge life. Larry and Chris endeavour to contact all new members soon after they join but if you have an Entered Apprentice who has not heard from them, please introduce Larry to them orator@suffolkfreemason.org.uk

A number of brethren have been honoured with first appointments in Grand Lodge or promotions to higher rank this year. There were first appointments to Past Assistant Grand Direct or of Ceremonies for WBros Jamie Gwatkin, the Provincial Almoner and Trevor Tinley, the Provincial Assistant Grand Secretary. Promotions to Past

Junior Grand Deacon for Dr John Elmore and Giles DeMargary and to Past Senior Grand Deacon for Simon Delahunty and our APMG Bob Lee. All of these were richly deserved.

The Evensong service at Bury St Edmunds cathedral proved to be a hugely successful event with good support from all over the province. As an organisation we do not always enjoy a good press with some members of the clergy. This could not be further from the truth with the Dean of Bury St Edmunds, Very Reverend Joe Hawes. In a service tailored especially towards Freemasons, but nevertheless open to all members of the public, the Dean spoke eloquently and enthusiastically about our charitable work, and the many similarities that exist between our two organisations. A nice touch was the Closing Ode being sung by the whole congregation as the PGM retired from the service. Both parties are keen to make this a bi-annual event. To show our support of the Cathedral the Provincial Grand Master expressed his wish that all Suffolk lodges should consider each contributing £250 to the Chair Appeal currently being run by the cathedral. Many lodges have already responded to this and at the meeting of Suffolk 250 Lodge on 4th April he will be presenting a significant cheque to the Dean on behalf of all Suffolk freemasons.

As mentioned in my report last year, we have seen a rapid flow of new members joining the Craft, which has gone a long way towards reversing the decline in our membership we saw during the pandemic. Many lodges have been performing double ceremonies as a result, in order to ensure that candidates are not kept waiting any longer than possible, and also to continue the progress of existing members who have had to wait longer than usual to complete their second- or third-degree ceremonies. Several of these new candidates have come through our own website or the national digital marketing campaign, both of which have proven to be a very useful method of attracting new members. Long may this continue.

Finally, this will be my last report as Provincial Grand Secretary as I shall be retiring in May to take on a new role. This is therefore a good opportunity to thank those brethren who have tirelessly assisted me since I joined the provincial secretariat in 2012. The late Peter Peck, Bill Haggart, David Cuthbert, Bob Philips, Peter Thomas, Richard Vickerstaff and Paul Filby. I must also particularly thank my predecessor David Clarke, my two Assistant Provincial Secretaries Ralph Robertson and Trevor Tinley, and lastly our Hermes Champion Geoff Spencer, all of whom have always been available as a wise council and whose total commitment towards the province have made my office so enjoyable.

WBro Roger Nash
Provincial Grand Secretary

REPORT of The PROVINCIAL GRAND ALMONER

RW Provincial Grand Master and Brethren. I am pleased to present my report for the year ending 31st December 2022.

The last 12 months have been busy for the Almoners in Suffolk as Freemasonry emerged out of the COVID-19 lockdown and resumed normal activities. The main emphasis at Provincial level was centred around the “Year of the Almoner 2022” initiative, which was aimed at raising the profile of the role of the Almoner and the tremendous amount of unseen work that is undertaken when delivering pastoral care to all within our Masonic Community.

The scope of support offered by the MCF has been widened over the last year. A new mental health support service to children and young people aged from 5 to 15 years was soft launched in autumn 2022. This adds to the comprehensive wellbeing package offered via the Counselling Careline and the Enhanced Mental Health (EMH) service which is offered to adults. Emergency help from the Suffolk Provincial Benevolent Fund was also available and used over the last year.

Provincial Group Almoner Team was slightly changed and strengthened in 2022. W. Bro Joe Greiner joined the team as the Elderly Care Lead, to provide expert knowledge on caring for our senior citizens. W. Bro Melvyn Eke will also be the Elderly Care Lead within the Group Almoner Team. On 10th May 2022, the team visited the MCF headquarters in London (the first such visit in UGLE) to strengthen the relationship with the MCF. The visit included presentations on the MCF support and strategy, the MCF grant application process, and two charities The Not Forgotten and The Ruth Strauss Foundation about the work they do for military veterans and families pre-bereavement.

On Sunday 16th October 2022, the Province held its annual Almoner Conference at Ashlar House, Bury St Edmunds; attended by 124 delegates. The audience, including several present and past military veterans, witnessed the signing of the Armed Forces Covenant by the PGM on behalf of Suffolk Freemasons and Air Vice-Marshal The Honourable David Murray CVO OBE DL on behalf of the military. The Armed Forces Covenant pledges to acknowledge and understand that those who serve, or who have served, in the Armed Forces, and their families, should be treated with fairness and respect in the communities, economy and society they serve with their lives and focusses on helping members of the Armed Forces community have the same access to government and commercial services and products as any other citizen.

The Conference laid the foundations for potential new partnerships in the future. Delegates received a talk from The Not Forgotten military charity which provides support to any serving man or woman who is wounded, injured or sick and any veteran with a disability, illness, or infirmity; whatever the cause and whenever it arose. The Conference also heard about the work of the Ruth Strauss Foundation in supporting families facing the death of a parent & driving the need for more research into non-smoking lung cancers. It is hoped that further joint activities will be developed over the next 2 years, for the benefit of our Community who may have been forgotten.

The imparting of knowledge and awareness continued in 2022. A new publication “A practical guide to finding a Care Home” was launched at the Conference. The PGM sanctioned an alternative investiture ritual for the Lodge Almoner (as part of the Year of the Almoner initiative) which was distributed in April 2022 to all Worshipful Masters and delivered in Lodge during the autumn installation meetings.

A new Almoner Induction Training Module was developed during the summer and launched in November by Bro. Andy Hunt (Training Lead). This online resource will fulfil the objective “that all Lodge Almoners are fully briefed about their role and feel confident where to get help and support....No one should feel they are in the dark”.

Support for our Widows was advanced in the year. The Felixstowe Widows Group restarted on Thursday 24th November with a fellowship Tea (sponsored by the Province) at Felixstowe Golf Club for the Group 8 lodges. It was organised by W. Bro Dougie Paine the Group 8 Almoner and Widows lead. 18 widows attended from Felixstowe and Ipswich and had a great afternoon of chat, cakes, and refreshment.

Bereavement support was needed by several recipients during 2022 and I am very grateful to W. Bro Jon Neill for all his endeavours on this front. The bereavement cards continued to be well received, and coverage has increased after the introduction of the automatic notifications from Hermes. Mental Wellbeing interventions were maintained throughout the year, and my thanks go to W. Bro Tony Wooderson for his efforts in providing this valuable resource.

Cornwallis Court and the RMBI maintained an extensive care package for their residents throughout lockdown and beyond. The restrictions on face coverings prohibited visiting during 2022, but the Friends of Cornwallis Court completed the remodelling of the courtyard, which was opened on 18th August and provides a unique area for residents and families to share quality time together. The coffee mornings are scheduled to restart in February 2023 on the 1st Saturday of each month. Visitors will be more than welcome, and the residents would appreciate contact with other Freemasons.

In summary, the last 12 months have been busy but productive and fulfilling. It has moved pastoral care forward in Suffolk. I would like to thank my Provincial Group Almoner team, Mrs Caroline Wales (AST from MCF), the Lodge Almoners and their supporting Brethren for all their help in delivering the above. We can all be proud of our achievements.

The plan for 2023 will be to consolidate on the foundations laid so far. The MCF and RMBI will be publishing their 2023-2030 plans over the next year. We will look at ways to communicate the benefits and enjoyment of being a Lodge Almoner throughout the Province, to increase the desire to take on this vital work within our Masonic Community. We will build in more support for the existing Almoners to protect this vital resource.

W.Bro. J. B. S. Gwatin, *Provincial Grand Almoner*

REPORT OF THE PROVINCIAL MEMBERSHIP TEAM

Right Worshipful Provincial Grand Master and Brethren, we have pleasure in presenting our report for the year ending 31st December 2022. With the official investiture of a Provincial Grand Membership Officer, it was decided that in Suffolk we would combine the efforts of the Membership Officer and Mentor to form the Suffolk Provincial Membership and Mentoring Team. By combining the activities and responsibilities of these two offices we believe it will have more of an impact on the Membership Strategy and make all efforts more cohesive, consistent and effective. The Provincial Membership and Mentoring Team will comprise of more than just the Provincial Membership Officer and Mentor. All will have a part to play in the common goal of making being Member or Visitor of Suffolk Freemasonry, the best possible experience. Suffolk Light Blues continues to be a primary resource in Suffolk member retention initiatives, as it engages with, and encourages newer brethren. 2022 was the first full calendar year of Freemasonry after the previous years' disruptions. Lodges were very busy initiating new members, progressing existing members and encouraging members back to meetings. As always, we made ourselves available to those Lodges struggling with any aspect of Membership management and assisted where invited. 2023 will see the re-introduction of a more proactive approach to Membership and Mentoring with a range of meetings, initiatives and workshops planned. One of the main functions of the Provincial Team is to manage the unattached enquiries we receive in Suffolk through the various channels. In 2022 we received 175 recorded enquiries. All enquiries will have received at least two personal emails offering assistance and of this number, 97 have been spoken to directly via telephone, with 80 progressed to being introduced to a Group Representative or Lodge. At the time of writing, we have had 25 initiated, joined or already balloted for. This is a very good rate of success on such a varied range of activities being used to attract interest in Freemasonry. We have continued back on our path of small percentage gains for the year, much as it had been before the pandemic restrictions. While this number increase is still small, it is hugely encouraging that we are still growing gradually. However, we are of course still significantly behind our targeted Membership numbers prior to COVID, which we have had to realign based on the losses encountered during a period we were unable to initiate new Members. Although we initiated more than resigned, it is still an area of attention for the Team, and we are looking at additional ways to help combat these numbers. Some are clearly unavoidable by resigning due to ill health, or moving out of the area, but now we get even greater visibility of resignations due to HERMES. We are picking up those we think that the Province may possibly be able to assist Lodges in potential help changing the mind of the those resigning. The Team continue to work on a number of initiatives including National initiatives such as the 7 Year Strategy, Members Pathway and other UGLE schemes, as well as those we have created in Suffolk. We continue to encourage Lodges to create their own Lodge Membership and Mentoring Teams and appointing Lodge Membership Officers alongside their Lodge Mentor. The Provincial Team can help with all aspects of this and have various resources available to help facilitate and assist you to creating a Member-Focused Strategy in your Lodge, some in Suffolk have already made great progress in this and already benefiting from their hard work.

W.Bro. Dean Willingham, *Provincial Grand Membership Officer*

W.Bro. Paul Rackham, *Provincial Grand Mentor*

PROVINCIAL GRAND CHARITY STEWARD'S REPORT

RW Provincial Grand Master and Brethren, I am very pleased to present my report as Provincial Grand Charity Steward for the year ended 31st December 2022.

The Masonic Charitable Foundation (MCF):

In the last year or so the MCF has continued to award almost £20 million pounds in grants and services to support some of the most disadvantaged and vulnerable people; local and national charities.

Over 3,000 individuals or families have been supported; over 700 charities have received funding and many hundreds of people have accessed their free counselling services during the past year.

The MCF has continued to give our Province significant support during the last year. During this time, it has helped over 70 disadvantaged and vulnerable Freemasons or their families in our Province, by supporting them with grants totalling over £200,000. This help included approximately:

£115,000 in grants for essential daily living costs;

£44,000 to support healthcare, and well-being;

£70,000 to support the education of children and young people.

They also gave grants to 15 charities within Suffolk and match-funded other applications to support donations made via our lodges and our Province.

The MCF has again continued to support Hospices throughout our Province.

The Relief Chest Scheme is run by the MCF and comprises a free service for Lodges, Chapters, Provinces, and other masonic organisations and can be used to manage charitable giving. This scheme is the most professional operation, and I heartily recommend it. Further details are again available on the MCF website.

Non-Masonic Charities:

I sent out the annual questionnaire to all Lodges in the Province at the start of the year as usual. Many Charity Stewards have provided returns showing that donations to worthy causes have continued.

As in previous years, Lodges have been very generous with their support. The donations reported to me to date are over £120,000. This is a fantastic outcome.

Our members were also generous in their continued support for Lodge Widows.

A Charity Steward's work is continuous, and I thank every lodge Charity Steward for the time and hard work they give to this very important Office, and I offer further grateful thanks to those who are retiring. Their devotion to duty is invariably shown by their continued support of their successor. However, it is of course, the continued support from the Brethren of our Lodges who make these excellent results possible, and I would like to thank all of you, as well.

Teddies for Loving Care - information provided by WBro David Wilson - Suffolk TLC Co-ordinator:

2022 saw the 21st birthday for Teddies for Loving Care (TLC). At the end of September, Red Teddy finished a five-week epic journey that saw him travel not just across England and Wales, but also to Ireland, Cyprus, Gibraltar, New Zealand, Fiji, and Hong Kong. A real globe-trotting bear!

On a more local note, we reached 22,500 teddies handed out in Suffolk and should hit the 25,000th near the end of 2023. A hugely remarkable result which is all down to your generosity. Every so often we receive a request from a parent and this one is no different:

Suffolk Freemasons 500 Club:

The 500 Club has retained its popularity and continues to thrive with 385 numbers being "sold" for the year.

The aim of the Club is to provide half of the profits that are generated to the start of the new festival (scheduled for culmination in 2029), with the other half of the profits going to the Suffolk Provincial Grand Charity Committee for distribution to worthy causes. Half of the income is returned to holders of winning numbers and 9 draws were held during the year with four prizes in each draw.

The Club has retained its popularity with many lodges, chapters and individuals continuing their support and I thank everyone who has contributed to it.

As a result, during 2022 the Club raised nearly £2,000 to contribute towards Festival 2029 and the same amount also went to the Provincial Grand Charity Fund. Almost £4,000 was paid out as prize money.

I would like to express my thanks to WBro Mark Ashmore for his continued involvement with the club and to my wife, Chris, for handling the administration of it for us.

The Provincial Charity Committee:

The format of the committee and its method of working has previously been changed so that we can react more efficiently to requests for donations. This process has worked well and enabled us to donate funds more effectively, which again proved successful during 2022.

Final Remarks:

I am encouraged that some lodges have decided to look ahead and to start to think about budgeting for the next festival in 2029. If some of the money that is currently being raised is not donated immediately, then this could generate a bit of a head start for when the next festival is officially launched.

With Festival 2029 in mind, I am delighted to acknowledge that WBro Jon Neill will take over the role of Provincial Grand Charity Steward following the annual meeting this year. I wish Jon every success and my full support with everything that he does. I have been Provincial Charity Steward for four years now, so it is necessary to change things and look forward with confidence. I hope to have set a base for Jon to take things forward from and he will at least have some funds “in the kitty” for him to use wisely as appropriate.

During my tenure as Charity Steward, it was my personal goal to visit every lodge in our Province and I can report that I have achieved this target. I have found every lodge to be in good heart, and I have tried to advise and support every lodge Charity Steward in their office as well as I can. I wish them all every success for the future because charity is at the heart of everything that we strive for.

I would also like to thank WBro David Wilson for the time and attention that he gives to the Teddies for Loving Care appeal. Millions of teddies have now been given to children since this scheme was introduced. David does a fantastic job by raising the profile of TLC and generating funds along the way. He also does the distribution of the teddies to our local hospitals and this part of his commitment to TLC goes largely unrecognised, so it is time that he is “publicly acknowledged and thanked”.

I cannot finish this report without giving thanks to the unsung heroes who support all of us Freemasons - our wives and partners - especially during these continuing difficult times. I’m sure that many of them are delighted not to have us under their feet now that most of us are out and about visiting and attending meetings again.

Brethren, one and all, “thank-you” for your continued support of everything that we do in the name of Charity and for your kindness and support during the past four years.

WBro Rick Orme *Provincial Grand Charity Steward*

COMMUNICATIONS OFFICER’S REPORT

Right Worshipful Provincial Grand Master and brethren, I present my Annual Report for the year ending 31st December 2022.

I have produced two new brochures during the year, the first titled Guide to Freemasonry, which is designed for members and lodges to give to potential candidates and gives concise information on becoming a member of Suffolk Freemasons and is available from me direct or your Group Rep. The second brochure called the Initiates Guide is sent to every EA by the Provincial Office immediately after their initiation and contains information about the lodge, it’s officers, our ceremonies and their onward journey. These booklets form part of a selection of material I have made available for the use of lodges to give to any potential candidate to look through in their own time, hopefully answering any questions that may arise on becoming a Freemason.

Our PSA Testing, arranged by Trevor Tinley, has once again been a huge success and held across Suffolk with the dates being promoted on our public social media. This advertising medium has been very popular with the general public who currently outnumber our own members attending, so we now have information available to potential joiners at every venue we hold a Testing Day.

Social Media has become the main way by which we can share information to members and indeed the way in which members share information between themselves. Our public facing Facebook, Instagram and Twitter accounts are currently followed by 3500 people combined and our Suffolk Light Blues now has in excess of 1000 members. I publish news and information to all these accounts every few days and if members don't engage on social media they will be missing out. I am therefore happy to help any member who needs information or help to get connected.

I continue to publish Forum in a pdf format by email via lodge Secretary's, it continues to be well supported and enables us to share more detailed information than is possible via social media about news and events from around the Province.

A good number of articles have been submitted to the local press and as in previous years we have had some success during 2022 with stories appearing, but in general I think the amount of coverage we receive is disappointing in comparison with other similar member organisations. UGLE use a professional company to track our media coverage across print, radio and TV and each month I receive a report detailing the specific coverage achieved by Suffolk and in 2022 we featured 52 times which is a slight increase over previous years.

During 2022 I have had a number of lodges enquiring about building their own websites, with one successfully launched and a further two currently under discussion. I would like to see more as these are a perfect way to promote your lodge and attract new members. To that end we have designed and made available some standard web templates, specifically built, with a bespoke package also now available to assist lodges in getting an online presence.

I have continuously supplied articles to Freemasonry Today and the Province of Suffolk has featured regularly in the magazine itself as well as appearing many times on the FMT website.

Back to the start of the year, in January, I attended the 2022 PCO Forum in London at which we were given the results of a public survey commissioned by UGLE entitled 'Favourability with the General Public', or put simply 'What do people think of Freemasons'. The results of this survey found that Pre-Covid Freemasons stood at a disappointing -27% favourability and in early 2022 this had changed dramatically to -2%, a huge improvement in how people see us and freemasonry in general and certainly bodes well for the future.

Finally, I would like to thank Craig Sennett, Stuart Bowers and Duncan Merren for their invaluable assistance, together with all the Provincial executive, individuals, lodges and chapters who have contributed in the successful promotion of Suffolk Freemasonry during 2022.

Together with many other Provincial Grand Officers, Past Masters, Masters, and Wardens, and by invitation Master Masons who were among the 427 Brethren who signed the register.

Provincial Grand Lodge was opened in due form at 3.40 pm by WBro. R.E. Nash, Deputy Provincial Grand Master in Charge assisted by W.Bro. R.M. Lee, acting as Deputy Provincial Grand Master, and the other Provincial Grand Officers.

The Brethren were called to order and saluted the Presiding Officer.

The Acting Grand Director of Ceremonies WBro P. Grier demanded admission and reported that the Pro Grand Master, MWBro. Jonathan Spence, DL accompanied by other distinguished Grand Officers was without.

WBro. P. Grier the Acting Grand Director of Ceremonies, led in the procession of Grand Officers escorting the Pro Grand Master to prolonged and loyal applause.

The Deputy Provincial Grand Master in Charge offered the gavel to the Pro Grand Master who accepted it. He then invited R.W.Bro. M.D. Estaugh, PGM, West Kent to occupy the Senior Warden's Chair and R.W.Bro. S. Allen, PGM, Norfolk to occupy the Junior Warden's Chair to assist him in the ceremony of Installation. He also invited W.Bro. K.S. McCormack, PAGC to act as Grand Chaplain.

The Brethren were called to order and saluted the Pro Grand Master, who then addressed the brethren on the object of the meeting which was to install WBro Jolyon Berry as Provincial Grand Master for Suffolk.

The Acting Grand Director of Ceremonies offered the Provincial Grand Master's Patent of Appointment to the Pro Grand Master for inspection and approval. The Pro Grand Master examined the Patent and declared it in order and instructed the Acting Grand Director of Ceremonies to form a Deputation to introduce the Provincial Grand Master Designate, who was escorted by the Worshipful Masters of the following seven lodges: Lodge of Unity No 71, Doric Lodge No 81, British Union Lodge No 114, St Luke's Lodge No 225, Appollo Lodge No 305, Lodge of Virtue and Silence No 332 and Lodge of Perfect Friendship No 376.

The WM of Lodge of Perfect Friendship No 376, WBro Halstead Ottley, was the bearer of the Chain of Office.

V.W.Bro. Adrian Marsh, Grand Secretary, was directed by the MW Pro Grand Master, to read the Patent.

The Pro Grand Master reminded WBro Berry of the great responsibility resting on his shoulders and asked whether he could conscientiously undertake the duties of the Office. Upon his affirmation the Chaplain W.Bro. K.S. McCormack offered prayer and the Provincial Grand Master Designate was then duly obligated, invested with the Chain of Office and installed in the Chair.

The Pro Grand Master was conducted to a chair to the right of the PGM and the Provincial Grand Wardens were replaced in their respective places.

The Acting Grand Director of Ceremonies WBro P. Grier, proclaimed RWBro. Jolyon Berry as the Right Worshipful Provincial Grand Master for Suffolk. The Brethren were called to order and saluted the new RW Provincial Grand Master.

The RWProvincial Grand Master announced that he was appointing WBro R.E. Nash as his Deputy, paying great tribute to him for the manner he had undertaken his duties as Deputy to the previous PGM. Having given the assurance that he could conscientiously again undertake the duties of this office he re-affirmed his obligation and was invested with the chain of Office by the RWProvincial Grand Master. He was proclaimed by WBro M. Burrows the Deputy Grand Director of Ceremonies and saluted by the brethren.

The RWProvincial Grand Master then addressed the Brethren:

Companions & Brethren

Thank you all so much for sharing this moment with me today, especially if you have been here since first thing this morning. I extend a particular welcome to anyone who has not been to a Provincial Grand Lodge meeting here in Suffolk before.

I admit to having been somewhat overwhelmed recently, not only by today's ceremonies, but by what has happened over the past five months. There was a great deal of excitement in the Berry household, and many happy calls and messages

exchanged after it was announced in May that I would become the Most Excellent Grand Superintendent and Provincial Grand Master of and over the Province of Suffolk. I was then, immediately, set upon on a very steep path of learning and planning which has involved many discussions with those who manage Suffolk Masonry.

As a management team we have been working hard ever since to prepare for today, to discuss the forthcoming fundraising festival and considering and planning for the implementation of an overall strategy for the Royal Arch and the Craft.

Thinking about today, I would like to repeat my deepest thanks to everyone who has been involved in organising today's Royal Arch and Craft ceremonies. Many of you have travelled long distances to be here, thank you.

Thanks also to the Most Worshipful Pro Grand Master and the team from London who have made this a day that I am sure we will all remember. Sir, you honour us with your presence, and I thank you most sincerely for the trust you have placed in me by this appointment.

I extend thanks to my predecessor, RWBro Ian Yeldham for the work that he has given the Province, not only as its PGM and latterly as Grand Superintendent, but also in the years up to that appointment with his first active office within the Province being in 1993, over 30 years ago. I am sure you all share this gratitude with me (and as he's not here today I can confirm that we are arranging for a special thank you gift to be given to him soon, about which I am sure you will hear more at the appropriate time).

Thank you to the rest of you too who have made the effort to be here. Your presence does more than just honour this special day, it uplifts the entire Province; it creates a spirit of excitement and anticipation – you being here is a demonstration of your support of an organisation that we all love and of our commitment to ensuring that we will work hard to realise its full potential.

And what better time is there to show of what we are capable than during our festival? Those of you with keen eyesight will have noticed that I am wearing a new breast jewel. You may have seen an image of this jewel today on banners around the school. It is based on the Arms of Suffolk, with the main charge being the sun rising over the sea. As Suffolk is the most easterly county in England it is the first to see the sunrise and a most appropriate design for this province. This jewel has been approved by the Grand Master as a jewel to commemorate our festival which will launch on 1 January 2024. It can be worn from next year by those brethren pledging the appropriate amount towards the festival, regardless of when they were initiated. I hope that all will choose to wear it throughout the Province during the festival. It is a beautiful jewel, and we are indebted to our Charity Steward, W.Bro Jon Neill for its design and securing the relevant permissions to enable it to come into being.

You might also just be able work out that I am also wearing a new tie. These will be on sale soon for you to wear in our Lodges during the festival. It also bears a similar image of the sun and I think looks great!

The work we do for festivals is significant and I know can be daunting or even stressful. As well as this beautiful jewel and tie, the Provincial Charity Steward has designed a fundraising strategy which with your support will help us reach our targets while at the same time ensuring we have a lot of fun. During a festival it can feel that we are being asked to give a lot, but we receive a little in return.

Actually, the opposite is true; we receive a great deal from the Masonic Charitable Foundation – in the big scheme of things we are asking everyone to give a little from which we will gain a lot. You will be hearing much more, very soon from the Provincial Charity Steward and his team including about the fun events being planned for us and for our friends and families.

So, we now enter a new chapter of Suffolk Masonry. Members of Suffolk will be well aware that in 2021 we celebrated our 250th anniversary. Much was made at the time of our past and the fine things our forebearers did for our Lodges and Chapters. As an organisation, we revel in our traditions and quirks. We enjoy those little idiosyncrasies that have evolved in particular Lodges and even for particular meetings. But we need to be careful brethren. If we only focus on the past, we lose sight of the future.

Despite being an organisation that can appear rigid in its approach to change, even resistant, the fact that it is over 300 years old is proof that Freemasonry is proactive and bold when it comes to making adjustments and preparing itself for times ahead. So must we be now; for our institution to be fit and well over the next 300 years, we need an aim, we need to know what we are doing and why we are doing it.

Consider our aim to be to inspire the man; from the potential candidate to the immediate past master and every member of the Province. A man inspired by his craft will engage in it and promote it. He will be proud of his Lodge, and his Lodge will be proud of him.

Our greatest challenge today is not that we do not donate enough to the festival; it is ensuring that we have a thriving membership. We need to keep inspiring and attracting members. We need to make sure that all are engaged and motivated to keep coming to meetings and to invite their friends, family members and colleagues to join our ancient and honourable institution. The responsibility for this does not lie solely with those who manage the Province; it is the responsibility of every single member. I am sure that by being organised, efficient and well prepared in what we do, but above all by being inspired and inspiring others, we will guarantee a thriving membership.

The Provincial Membership team led by one of our APGMs will be working with every Lodge to ensure that our membership figures which are good today, not only remain so but improve year on year on year.

Now, there is more work to be done than just meeting the membership challenge but I propose to talk about that at the Provincial Grand Lodge meeting in May next year, I for one have started to get a little thirsty so I think it time I sat down - before I do, may I congratulate W.Bro Ralph Robertson on his appointment as our first, second Assistant Provincial Grand Master and those other brethren whose appointments to Provincial Offices were confirmed today, as well as repeating my most sincere thanks to you all for being here now, and for your support in the future when I call upon you.

Thank you Brethren.

At the close of the address the brethren responded with prolonged applause.

The MW Pro Grand Master was then escorted from the Lodge by V.W.Bro. A. Marsh, Grand Secretary, Acting Grand Director of Ceremonies WBro P. Grier, The Deputy Grand Directors of Ceremonies WBro's M. Burrows and M. Gurney and the Grand Tyler WBro G. Daly.

Provincial Grand Lodge was closed in due form.

The first verse of the National Anthem was sung.

As the distinguished guests left the Lodge the Brethren sang Jerusalem.

PROVINCIAL GRAND CHAPTER TREASURER'S REPORT

Most Excellent Grand Superintendent and Companions, I am pleased to present the audited accounts for the year to 31st December 2022

This was our first year of full activities since 2019, following the suspension of meetings due to the COVID pandemic, which was lifted in autumn 2021, for most orders.

Income for the year was higher than 2021, because of the increase in activities, however, normal income streams as well as income from activities were lower than pre COVID years. Chapter dues were lower because the Executive decided not to charge dues for 2021-22 due to lack of activity. This had the effect of decreasing income from this source for both 2021 and 2022, as dues are collected July to June. The Executive also decided to donate the full amount of Honour Fees to Suffolk Provincial Grand Chapter Charity, rather being split, as in previous years. Provincial Grand Chapter Convocation attendees was significantly lower than pre COVID and no Carol Service was held.

Expenditure was higher as would be expected with an increase in activity programmes. The Provincial Convocation showed a deficit of £1574, broadly similar to pre covid years. We also had to pay both 2021/22 and 2022/23 Yearbook contributions, as due to the illness of the Provincial Grand Lodge Treasurer, the 2021 invoices were not sent out.

The net result was a deficit of £1,950, which given the reduction in Chapter dues and the additional expenditure should be viewed as an acceptable result. The Bank balance at the end of the year was £27,657, a healthy position.

I would like to thank the Account Examiners, Dave Lillis and Ian Gray, for completing the examination in good time. In addition, thank you to Kelvin Larcombe for guidance when needed.

I propose the accounts be adopted.

E. Comp Keith Cook *Provincial Grand Treasurer.*

On a proposition by E Comp Richard Vickerstaff, seconded by E Comp David Sharples, the Treasurer's Report and the Accounts were received and approved by the Companions, with thanks to the Treasurer and the Account Examiners.

PROVINCIAL GRAND CHAPTER REGISTRAR'S REPORT

Most Excellent Grand Superintendent, Excellent Companions and Companions.

Following on from my official appointment as Provincial Grand Register at the Annual Provincial Grand Chapter Meeting in 2022, I am pleased to confirm that in September 2022 I commenced my official duties regarding visits to various Chapters acting as one of the Provincial Escorts where I experienced a most friendly and warm welcome from all the Chapter Member's and visitors, the attendance in the chapters including my own was slightly down once again this year as we endeavour to finally recover from the ongoing effects of the COVID outbreak which is most encouraging and I am sure that we all look forward to many more of our Chapter members once again attending our meetings.

The current membership of the Chapters within the Province is slightly down on the previous year currently standing at 1202 from 1204. However we are now starting to see an increase in the number of exhalations taking place within some of our various Chapters.

The number of resignations is currently standing at 49 however the reasons are varied and possibly just not down to issues relating to the ongoing COVID infections.

It is indeed with sadness that I report that within our various Chapters we have recorded the number of deaths totalling 17 of our dearly beloved Brethren who I know will be sadly missed by all who had the pleasure to meet with them in this life.

I understand from various Chapter Secretaries that there are positive reports regarding the potential increase in new candidates waiting to be Exalted over the coming months which is indeed a positive response to all the excellent efforts of our Grand Superintendent and his fellow Provincial Grand Officers.

My year in office has without doubt been a pleasure and indeed a privilege to represent the Province of Suffolk as Provincial Registrar and I trust that I will have the pleasure to greet all of you at our next Suffolk Provincial Chapter Meeting later this year.

Peter Gosling

PROVINCIAL GRAND CHAPTER ALMONER'S REPORT

Most Excellent Grand Superintendent and Companions, I am pleased to present my report for the year 2022.

The Holy Royal Arch almoners have again been at the heart of their various Chapters working tirelessly in support of their members. I want to pay tribute to the consistently diligent way they go about their duties.

The role of Almoner in both Craft Masonry and the Royal Arch has been recognised throughout the past year by the adoption of 2022 as “The Year of the Almoner” instigated by my counterpart in the Craft, W Bro Jamie Gwatkin. I can report that the Chapters across the province have been very supportive of this initiative and I have been pleased to see the Almoner logo displayed on the Summons of many of the Chapters.

Suffolk Royal Arch membership has increased slightly overall which is very positive, and the past year has also seen a slight improvement in attendance at meetings as the Covid pandemic has receded into memory and I am sure this will continue as we move forward. I hope those Companions who have reservations about returning, or have just got out of the habit of attending will feel more confident and will begin to come back to our meetings. I would urge all the Chapter members who are regular attendees to encourage those who have stayed away to come again if they feel comfortable.

I would also like to encourage all Companions to make efforts to bring visitors to their meetings. Visiting is of course a vital part of Freemasonry and it can of course make for a far more enjoyable evening, with the opportunity of witnessing the variety of workings on display.

Lastly I would like to reiterate my sincere thanks to all the Chapter Almoners for their efforts over the last year. Their hard work and dedication is a credit both to themselves and the Province.

Most Excellent Grand Superintendent that concludes my Report.

E Comp Paul Wreathall.

Provincial Grand Almoner.

PROVINCIAL GRAND CHAPTER SCRIBE EZRA'S REPORT

Most Excellent Grand Superintendent and Companions all.

Well this year really has been one of change, in particular for the Chapter Scribe E's within the Province. The introduction of Hermes in August.

Before I say anymore, can I take this opportunity to thank Ex Comp Geoff Spencer and his team, for their sterling work ensuring the many training sessions went like clockwork, and the continuing help they give, ensuring the new system runs smoothly. As with all new systems there has been the need to seek changes to be made. This has all been managed by Geoff and his team with exemplary efficiency.

My thanks also go to the Chapter Scribe E's for their forbearance during this period of major change.

I am proud of the way each has undertaken the challenges faced, and the way they have dealt with them. I am convinced things have settled down now, and the vagaries encountered have been suitably dealt with, resulting in a much improved system for everyone to use.

The 'Chains' visits to our Chapters began early in September, with the DC's and Active Officers for the year attending as escorts. On their behalf, can I thank all the Chapters for the warmth of their welcome, and hospitality. The Exec in turn, would wish to thank all of the DC's and Escorts for their support since the visits recommenced. Finally on the visits, can I thank the Provincial Assistant Grand Scribe Ezra for all his hard work in ensuring those visits go ahead without a hitch.

Later in the proceedings today, we will see a significant change to our Executive, the most notable being the retirement of our Deputy Grand Superintendent, Ex Comp Raymond Pascoe. It would be remiss of me if I did not record here, on behalf of all the Companions of the Province of Suffolk, our great appreciation following his 4 years in office. Ray is held in high regard across the Province and has done much during his tenure to promote and develop Royal Arch masonry in Suffolk. He has visited, on many occasions, all of the Chapters in the Province, where he has always been welcomed and has given encouragement and support to all the Companions. We wish him a deserved, long and healthy period out of office.

Our thanks also go to Ex Comp Roger Nash, our Second Grand Principal, for all his hard work over the last four years, who steps down in the Royal Arch, but takes on the new role as Deputy Provincial Grand Master in the Craft, for which we wish him every success.

Lastly on the Changes to the Executive we welcome and congratulate Ex Companion Timothy McCormick on his appointment as Deputy Grand Superintendent, to Ex Companion Roger Young on his promotion to Second Grand Principal and to Ex Companion Nigel Gregory on his appointment as Third Grand Principal. We wish them all every success in their new roles.

Finally Most Excellent, this will be my last report as Provincial Grand Scribe E, having decided to stand down and retire after this meeting. I wish my successor Ex Companion Bob Heavisides every success in his new role. Can I also take this opportunity to thank all of the Chapter Scribe E's for their help and assistance over the last 4 years, to the Executive for their help and guidance, but in particular to the retiring Deputy Grand Superintendent Ray Pascoe - hardly a day has gone by when we have not spoken on the phone about something to do with the Royal Arch – thanks my friend.

Most Excellent Grand Superintendent that concludes my report.

E. Comp Kelvin Larcombe.

Provincial Grand Scribe Ezra

On a proposition by E Comp Trevor Tinley, seconded by E Comp Christopher Lister, the reports were received and adopted by the Companions.

8. The M E Grand Superintendent declared the Annual meeting of the Provincial Grand Chapter Charity DULY CONSTITUTED.

(1) The Provincial Grand Chapter Charity Steward, E Comp D Wilson stated that his report and the statement of accounts were as printed in the paper of business.

(2) To confirm the recommendations of Provincial Grand Chapter Charity Committee; namely

(a) That £5000 be available to the Grand Superintendent to distribute to charitable causes in and around the Province, with a maximum of £500 to any one good cause.

(b) A donation of £2000.00 be donated to Macmillan Nurses locally as Covid precluded us from holding our annual fund raising event.

(c) That the Trustees from the previous year would retain their trusteeships and that the Trustee who had sadly deceased would be replaced by the Asst Provincial Scribe E, R Heavisides.

(d) The Treasurer proposed a small change to the Constitution to clarify the use of electronic forms of communication used by the Trustees meeting.

On a proposition by E Comp Richard Styles, seconded by E Comp Alan Snow, these recommendations were adopted by the Companions.

The ME Grand Superintendent declared the Annual Meeting of Provincial Grand Chapter Charity CLOSED.

PROVINCIAL GRAND CHAPTER CHARITY STEWARD'S REPORT

Most Excellent and Companions, I present my report for the year 2022.

It seems we are returning to a somewhat normal form of Masonic meetings, and I am hoping to visit as many Chapters as possible to encourage them to continue to support local Charities in this still difficult time and where possible appoint a Charity Steward, the ideal candidate being the Charity Steward from their Craft Lodge. If he is not in The Holy Royal Arch now is the time to get them onboard.

I am also hoping that as we are able to start to travel more I will be visiting Chapters in the Province to promote Multiple Donation Gift Aid. This helps the collection of Alms to be simplified by the Treasurers and SPGCC. It also gives an extra 25% to the donation without having to fully complete a donation form. In this respect I recommend companions to sign up to the Unique Gift Aid Scheme which issues the individual with a URN (Unique Gift Aid Reference Number) which they can use on Gift Aid Envelopes and Slips.

Once again the SPGCC has been active and holds £71241 in Holding Accounts and £19211 in the SPGCC General Fund out of which £15332 from the Holding Accounts and £2800 from the SPGCC general Fund has been given to worthy causes. This is a magnificent achievement and deserves huge recognition and thanks to the Companions for their continued support.

It will not be that long now before our Province goes back into Festival again.

Please can you consider trying to build up some funds ready for the Festival when it launches, so that your fund-raising is looked at over a longer period rather than perhaps being focused only after the launch date. Relief Chests are a good way to consider “budgeting” for the Festival by holding money until the beginning of it, because you can gain interest on balances and even claim gift aid where possible.

Most Excellent, my thanks must also go to E. Comp's David Lillis and Ian Gray for their meticulous examination of the accounts and E.Comp John Laverock SPGCC Treasurer for the preparation and production of this year's account.

E. Comp David Wilson

Provincial Grand Charity Steward.

9. The M E Grand Superintendent stated that only one nomination had been received for the office of Provincial Grand Treasurer, that of E Comp Keith Cook, and that, in accordance with Provincial By-Law 11-1, he declared E Comp Keith Cook duly elected.

10. On a proposition made by E Comp Richard Taylor-Balls, seconded by E Comp Marc Deora, for Account Examiners, E Comp David Lillis and Ex Comp Ian Gray were elected for the ensuing year.

11. Then following verification of Patent of Appointment, the ME Grand Superintendent then appointed, obligated, invested, and installed E Companion Timothy John McCormick as Deputy Grand Superintendent.

12. The ME Grand Superintendent was also pleased to appoint, obligate, invest, and install E Comp Roger Maurice Young PGStB, as Second Provincial Grand Principal.

13. The ME Grand Superintendent finally appointed, obligated, invested, and installed E Comp Nigel G W Gregory PGStB, as Third Provincial Grand Principal.

14. The ME Grand Superintendent then presented the retiring Deputy Grand Superintendent, E Comp Raymond Pascoe and Second Grand Principal, E Comp Roger Nash with Collarettes marking their past appointments. The ME Grand Superintendent also took this opportunity to present a Collarette to the Past Third Grand Principal, E Comp Paul Norman, which he was unable to do at the time due to the implications of the Covid outbreak.

15. The M E Grand Superintendent appointed and invested Provincial Grand Officers for the ensuing year.

16. The M E Grand Superintendent noted that the Suffolk Provincial Grand Chapter Certificate of Commendation was awarded to: E Comp Jeffery Vertigen, who was unfortunately unable to attend.

The M E Grand Superintendent was informed by the Scribe E, that arrangements had been made to present the Certificate to E Comp Vertigen at his home. He noted for those present, his gratitude for the commitment to Royal Arch Masonry shown by E Comp Vertigen over many years.

17. The Most Excellent Grand Superintendent also presented the Provincial Order of Merit to E Comp Nicholas Berry for his long and dedicated services to Royal Arch Masonry in Suffolk.

Members gave applause for these worthy commendations.

18. The ME Grand Superintendent then addressed the Convocation: - Starting by thanking those that had planned, organised, and managed today's excellent event. He specifically noted the contribution of the retiring Scribe E, E Comp K Larcombe, who had taken over the role at short notice in 2021 following the sad death of his predecessor, E Comp N Le-Grys. In addition, he recorded his thanks to the members

of the Provincial Executive, the Scribe E and his team, the Director of Ceremonies, and his Officers, for their support at this meeting as well as their support over the year.

He then congratulated all those Companions who had today, received honours. He noted how he and other members of the new executive were preparing the work needed to help implement the new strategic plan that centres on the work to bring a closer and more integrated relationship between the Craft and Royal Arch Masonry. Essential to this strategy was that Rulers wished to learn from Chapter members how they see this integrated and supportive strategy working out essentially for their Chapter. Specifically, how the conversion rates between new Craft initiates and new Exaltees can be improved. This aspect of Conversion from Craft membership to Royal Arch membership needs the involvement of members to move this plan forward and he would be looking with his Deputy and the other members of the executive to see how this could be further developed in Suffolk.

He was pleased to note both the enthusiasm and enjoyment of Masonry he was regularly seeing from members, would, hopefully, be a major catalyst to help with this conversion strategy. He firmly believed that the future would be bright and would continue if we looked to continue with our plans for improving membership through this joint initiative.

19. The M E Grand Superintendent enquired from the Provincial Grand Scribe Ezra for any other business.

The Provincial Grand Scribe Ezra informed the Companions of the following:-

That he had received apologies from several MEGS, Provinces & Suffolk Companions, all of which had been recorded.

Finally, that the date of next Annual meeting of the Provincial Grand Chapter will be Thursday 9th May 2024, the venue to be confirmed.

20. The MEGS then called for the collection of Alms.

21. Due to a Companion falling ill at this stage of the meeting, and concerns for his welfare, the MEGS closed the meeting and all Companions retired, without procession, to prepare for the Festive Board.

A vote of thanks was later recorded for the Companions of Royal Sussex Chapter No 376 for the loan of their Chapter furnishings, and to the members of the Provincial Grand Stewards Chapter No.9215, and many other Companions for their assistance.

Together with many other Provincial Grand Officers, Past First Principals and Companions.

Provincial Grand Chapter was opened at 11.00 a.m. by Most Excellent Companion Johnathan Spence, Pro First Grand Principal, assisted by E Comp J. W. Sharpley, Grand Superintendent of Hertfordshire, acting Second Grand Principal, and E Comp M. D. Estuagh, Grand Superintendent of West Kent, acting Third Grand Principal.

The Installing Officer, M.E.Comp. Jonathan Spence, then addressed the Companions on the object of the meeting, which was to install E Comp. Jolyon Arthur Leonard Berry as the Grand Superintendent in and over the Province of Suffolk.

The acting Grand Director of Ceremonies, E.Comp. A. P. Grier, submitted the Grand Superintendent's Patent of Appointment to the Installing Officer for inspection. The Installing Officer having examined the Patent and declared it in order, instructed the acting Grand Director of Ceremonies to form a deputation to introduce the Grand Superintendent designate, who was escorted by the First Principals and Past First Principals of the following eight Chapters: St Luke's 225, Royal York 81, Royal Sussex of Perfect Friendship 376, Royal Alexandra 959, White Rose 1008, St Andrew's 1631, Martyn 1224 and Lowestoft 71. The First Principal of Sparta Chapter 9771, E.Comp. S. P. Delahunty, was bearer of the Chain of Office. The Grand Scribe E, E.Comp. A. Marsh, was directed by the Installing Officer to read the Patent.

The Installing Officer addressed the Grand Superintendent designate and enquired if he could conscientiously undertake the duties of the Office. Upon his affirmation the acting Third Grand Principal offered prayer and the Grand Superintendent designate was then duly Obligated, Invested with the Chain of Office and placed in the Chair. The Installing Officer, M.E.Comp. Jonathan Spence, was conducted to the Chair on the right of the M.E. Grand Superintendent.

The M.E. Grand Superintendent, E.Comp. Jolyon Berry, appointed E.Comps. Roger Maurice Young, P.G.Std.B., and Nigel Wallis Gibson Gregory, P.G.Std.B. as Second and Third Provincial Grand Principals respectively. They were duly obligated, invested and conducted to their Chairs. The acting Grand Director of Ceremonies, E.Comp. A. P. Grier, proclaimed E Comp. Jolyon Arthur Leonard Berry as the Grand Superintendent in and over the Province of Suffolk; E.Comp. Roger Maurice Young as Second Provincial Grand Principal and E.Comp. Nigel Wallis Gibson Gregory as Third Provincial Grand Principal.

The M.E. Grand Superintendent, then appointed E.Comp. Timothy John McCormick, as his Deputy, who was Obligated, Invested, and conducted to his Chair. The Deputy Grand Director of Ceremonies, E.Comp. M. H. Burrows, proclaimed E.Comp. T. J. McCormick, as Deputy Grand Superintendent.

The M.E. Grand Superintendent, then confirmed the appointment of the other Provincial Grand Officers.

The By-laws of the Province were presented to the M.E. Grand Superintendent.

The Grand Superintendent then addressed the Companions:

I have so many thanks to communicate for your recent support and assistance but also to all of you here now. I will express those in more detail this afternoon and hope to see you in Provincial Grand Lodge later.

Before addressing other business, may I extend my most sincere thanks to the Pro First Grand Principal, Most Excellent Companion Jonathan Spence, and to his team who have worked especially hard to ensure that today's ceremony was seamless and as perfect as it was.

It is fair to say that for the last few months, the event-horizon has been today, preparing for this ceremony and what is to happen after lunch. But from today, we are about to enter a very exciting time in the Royal Arch – but, before I expand on that, I must address an important point head on.

It cannot be denied that some in the Province would have liked to have seen the offices of Grand Superintendent and Provincial Grand Master kept distinct. After all, Suffolk has for some time been a strong, growing Provincial Royal Arch with just over 40% of our Master Masons being in Chapter. However, we have lost members in recent years and today we are an organisation of fewer than 1,000 individuals.

It is a fact that the provinces where the Grand Superintendent and the Provincial Grand Master are the same person have the highest proportion of Royal Arch membership and Chapter engagement. This inevitably leads to closer collaboration between it and the Craft, creating a virtuous circle.

By bringing the Grand Superintendent and PGM together we bring the Orders and our membership closer. It is quite possible that as well as the Grand Superintendent and PGM, other offices become 'double-headers' too, with members being just as likely to play active roles in one Order as in the other. We are after all one organisation.

But today I represent change, and for those who may need time to reflect on such things before making up their minds, I remind you that change is inevitable but also reassure you that a change in structure does not mean a change of the foundation. That foundation is predicated on the Royal Arch being the fourth and ultimate stage which enriches and completes one's masonic journey.

Many of you are senior members of Chapter, and indeed within the Craft. To which end I hope that you are all familiar with the Strategy for Freemasonry 2022 and beyond. If not, may I encourage you to visit the UGLE website where it is easily found?

A key part of the strategy is that the Craft and Royal Arch has to work seamlessly at all levels as one organisation. In line with that strategy, we must remind ourselves of the need to educate our members about the value of the Royal Arch and its benefit, and use Chapter in more practical ways to engage and retain our members who are so vital for our future.

When someone is made a Freemason, he should be aware from the very start that his journey consists of three degrees (and no more); those being of the Entered Apprentice, the Fellow Craft and the Master Mason including the Supreme Order of the Holy Royal Arch.

As Freemasons we will cement our reputation as a force for good in our societies at large, and as a thriving, growing organisation which people aspire to join, and we will achieve this from a foundation that relies very much upon the Royal Arch.

What better way to keep a Master Mason -or even a Past Master - engaged and interested in his Lodge and in Freemasonry than by bringing him into a Chapter? And by the way, there are over 120 Past Masters in Suffolk who have not yet been exalted. Masonry will not fail to be kept interesting and engaging if we ensure Chapter ritual is delivered well that we are organising our chapters sufficiently that we are meeting and dining in good numbers.

Encouraging and inviting more of our brethren to become Companions not only strengthens the Royal Arch but also the Craft. This sentiment will be one expressed by me, as well as by the Deputy Grand Superintendent and the Provincial Grand Principals whenever we visit Chapters and Lodges. By so doing, we intend to increase the profile of the Royal Arch within Suffolk Freemasonry and inspire interest and engagement in the Order. I very much hope that you will be doing the same.

These are indeed exciting times to be a Companion of this Supreme Order and I look forward to experiencing these positive changes with you over the coming months and years.

Thank you, Companions.

Provincial Grand Chapter was then closed in Antient and Regular form.

 masonic_charity

Registered Charity number 1164703. A company limited by guarantee, registered in England and Wales company number 09751836.

For Freemasons, for families, for everyone

The Masonic Charitable Foundation builds better lives by enabling opportunity, advancing healthcare and education and promoting independence for Freemasons, their families and the wider community.

Funded entirely through the generosity of Freemasons and their families, the Masonic Charitable Foundation is one of the largest grant-making charities in the country.

Our origins

The Masonic Charitable Foundation became operational in 2016 to provide a wide range of financial, health and family support to Freemasons, their families and the wider community.

The Foundation brings together the work of The Freemasons' Grand Charity, the Royal Masonic Trust for Girls and Boys, the Masonic Samaritan Fund and the Royal Masonic Benevolent Institution. These charities existed separately under various names from the early 18th Century and provided specific types of support to Freemasons and their families.

How do we help?

A wide range of help and support is available for financial, health and family related needs, including:

Financial

- Essential daily living costs
- Grants following an accident, redundancy or personal crisis
- Funeral bills
- Minor home repairs

Health

- Medical treatment
- Dental treatment
- Mobility aids and essential home adaptations
- Respite care
- Counselling

Family Children in full-time education

- Essential costs for education or training
- Scholarships, travel grants and student accommodation
- Supporting exceptional talent in sport, music or the performing arts

Family Children in full-time education

- Essential costs for education or training
- Scholarships, travel grants and student accommodation
- Supporting exceptional talent in sport, music or the performing arts

Family Older people

- Masonic care homes including nursing, residential, respite and dementia care
- UK holidays

Practical assistance

The Advice & Support Team offer confidential, impartial and practical guidance about the help we can provide. The Team can also help with applications for state and local authority benefits and can put you in touch with other organisations who can give advice on care, employment and education.

Who is eligible?

Those seeking support must demonstrate the following:

A Masonic connection

Those seeking support must be a Freemason or have a strong family connection to a Freemason under the United Grand Lodge of England. The Freemason does not necessarily need to be a currently subscribing member, but he must have joined before the need arose.

A financial, health or family need

Many needs follow a decrease in household income, but they may also arise because of a life-changing event such as a medical diagnosis, changing care needs, family breakdown or the death of a family member.

Can we help you?

If you would like to speak to someone about the range of support available to Freemasons and their families, please speak to your Lodge Almoner or call our dedicated freephone enquiry line: 0800 035 60 90

Enquiries can also be sent to: help@mcf.org.uk

Or write to:

Masonic Charitable Foundation, 60 Great Queen Street, London WC2B 5AZ

Community Support and Research

In addition to the support we provide to Freemasons and their families, the Masonic Charitable Foundation looks beyond Freemasonry, making significant financial grants to charities that help people to live happy fulfilled lives and to participate actively in society.

To achieve this aim, grants are awarded to registered charities that provide support in the following areas:

- Education and employability for disadvantaged children and young people
- Financial hardship for those in poverty, debt or unemployment
- Health and disability for people experiencing chronic or life-limiting conditions and disabilities
- Social exclusion and disadvantage for those facing barriers to participating in society

We also provide funding to:

- Advance medical and social research
- Hospices throughout England and Wales
- Air ambulance and rescue services

Funding is also provided to support major natural disaster relief appeals at the discretion of the President.

The charities we support make a significant and lasting difference to people in need. We aim to benefit as many people as possible and further those causes about which Freemasons and their families have told us they are most concerned.

To find out more about our Community Support and Research grants, please visit: mcf.org.uk/community

Alongside the thousands of people helped by our Community Support and Research grants, we have also helped to improve the lives of around 9,000 life-limited, disabled children through our support of Lifelites, a charity which provides educational and fun technology packages for every baby and children's hospice in the British Isles. Founded as a Masonic initiative, Lifelites has become a well-established charity in its own right and fundraises from Freemasons and other sources.

Fundraising

We rely upon the generosity of Freemasons and their families to enable us to provide our range of charitable support. We do not fundraise from members of the public or use street collections.

Festival Appeals

Each year, four Masonic Provinces hold a Festival to celebrate raising funds for our work. During the years leading up to the Festival, fundraising events and activities take place that make a significant contribution to our income. There are many ways to fundraise including sponsored challenges and social events. We are extremely grateful to everyone who supports us.

Donating to Festivals

To find out how to make a donation to your Province's Festival Appeal, please visit mcf.org.uk or call 020 3146 3333.

Legacies

Legacy gifts make an important contribution to the funding of our work. Every gift, large or small, can help to make a difference to those assisted through our grant-making programmes.

The Relief Chest Scheme

The Relief Chest Scheme is a free service that Lodges, Chapters, Provinces and other recognised Masonic organisations can use to manage their charitable giving efficiently.

The Relief Chest Scheme holds the funds in a dedicated account and uses its charitable status to provide a range of benefits to the donor, including reclaiming Gift Aid. The services provided by the Relief Chest Scheme relieve the chest holders of the burden of administration of charity funds, therefore saving time and resources and allowing them to concentrate on fundraising.

For further information, or to open a Relief Chest for your Lodge, Chapter or Appeal, please visit: www.mcf.org.uk/reliefchest

OTHER MASONIC CHARITIES

In addition to the Masonic Charitable Foundation, there are numerous other charities organised and run by Freemasons. There are far too many to list, but they include Provincial Benevolent Funds, Provincial Education and Relief Funds, Trusts set up and administered within individual Provinces, Funds associated with residential housing or supporting particular RMBI Homes, and sundry other organisations big and small, all concerned with caring for others.

THE ENTERED APPRENTICE'S SONG

This old song (with its proper tune) is ascribed by Dr. Anderson, in the first Edition of the Constitution Book (1723), "to our late Brother, Mr Mathew Birkhead, deceased. To be sung when all grave business is over, and with the Master's leave".

1. Come let us prepare,
 We Brothers that are
 Assembled on merry occasion.
 Let's drink, laugh and sing:
 Our wine has a Spring;
 Here's a health to an Accepted Mason. (*All charged*)

2. The world is in pain
 Our secrets to gain,
 And still let them wonder and gaze on.
 They ne'er can divine
 The Word or the Sign
 Of a Free and an Accepted Mason.

3. 'Tis this and 'tis that
 They cannot tell what,
 Why so many Great Men of the nation
 Should Aprons put on,
 To make themselves one
 With a Free and an Accepted Mason.

4. Great Kings, Dukes and Lords
 Have laid by their Swords,
 Our myst'ry to put a good Grace on;
 And ne'er been ashamed
 To hear themselves named
 With a Free and an Accepted Mason.

5. Antiquity's pride
 We have on our side,
 And it maketh men just in their station
 There's nought but what's good
 To be understood
 By a Free and an Accepted Mason.

6. Then join Hand in Hand
 To each other firm stand;
 Let's be merry, and put a bright face on
 What mortal can boast
 So noble a Toast as a Free and an Accepted Mason

THE WORSHIPFUL MASTER'S SONG

We may toast in the Craft one another
 And challenge our friend 'South' and 'West'
 But the toast above all is our Brother
 Who rules and presides o'er the rest.
 The blood in our veins flows the faster
 As the health is proposed loud and free,
 Of our excellent Worshipful Master,
 For a jolly good Mason is he!

CHORUS

*Here's a health to our Worshipful Master,
 Whose actions are all 'on the Square',
 May the Great Architect guide and rule and protect
 And prosper the Craft ev'rywhere*

Though we greet him with hearty ovation,
 As monarch o'er all he surveys
 We must help him on ev'ry occasion,
 His banner Masonic to raise,
 Our love and obedience requite him,
 Our zeal in the cause give him bliss,
 And our harmonies ever delight him,
 With a chorus as friendly as this -

Here's a health, etc.

At the sound of his voice or his gavel
 Let smiling attention prevail,
 None dreaming to cark or to cavil,
 But cheerfully answer 'all hail!'
 May his year be a season of gladness,
 His cup and his cupboard be full,
 And our way to ward off care and sadness,
 Is together united we pull.

Here's a health, etc.

THE TYLER'S TOAST

The correct wording is:

“To all poor and distressed Masons wherever dispersed over the face of earth or water, wishing them a speedy relief from all their sufferings, and a safe return to their native country if they desire it”.

(Ancient Charge).
