I wish to acknowledge, with grateful thanks, the help and assistance given to me by the Secretaries, Scribes, Recorders etc. of the various Masonic Orders in the Province, the Provincial Executive and my colleagues in the Provincial Secretariat for their support during my first year as Editor. I would also like to thank my predecessor, W.Bro Graham Saward for the help and support that he has given me in preparation for taking over as Editor .

The Provincial Office is manned by volunteers and it is reasonable to assume that if you telephone there might not be anyone in attendance. In that case there are two alternative routes to follow;

\* Leave a message on the answer machine and someone will get back to you the next time the office is manned, or,

\* E-mail your request; again someone will get back to you. The e-mails can be accessed remotely and therefore may well be answered in a shorter time span than a telephone message.

### THE PROVINCIAL GRAND LODGE

Consists of the Provincial Grand Master, the present and past Provincial Grand Officers, and the Masters, Past Masters and Wardens of all Lodges in the Province, and Past Masters of any Lodge under the English Constitution, being subscribing Members of a Lodge within the Province, provided the Installation return for the current year has been received by the Provincial Grand Secretary.

Master Masons who are not members of Provincial Grand Lodge are invited by the R.W. Provincial Grand Master to attend Provincial Grand Lodge, but they cannot vote.

Any Brother addressing, or addressed by, the R.W. Provincial Grand Master or his Deputy, or his Assistant, should stand to order as a Master Mason.

Masters and Wardens of private lodges, who are expected to attend Provincial Grand Lodge, should wear their Collars in the Grand Lodge or in the Provincial Grand Lodge. The Collars of all other Officers of private lodges should only be worn in their own lodges (B.C. 263).

Active Provincial Grand Stewards should wear Collars of crimson ribbon, which are the property of Provincial Grand Lodge. Past Provincial Grand Stewards should wear Collars of crimson ribbon with a silver cord in the centre.

Past Masters should wear their Collars on all occasions on which Craft Clothing is worn (B.C. 264).

**All applications or communications to the Provincial Grand Master or his Deputy or Assistant must be made through the Provincial Grand Secretary, or in his absence, his Assistant.**

Members may contact their Provincial Representatives on matters related to their own lodge.

## LODGES

**Provincial By-Laws - The Master of each Lodge in the Province will be responsible to see that By-Laws 12, 13, 14 and 15 are observed.**

No Brother can hold more than one *regular* office in the lodge at one and the same time. The *regular* Officers are the Master, two Wardens, Treasurer, Secretary, two Deacons, Inner Guard and Tyler. He will appoint as additional officers an Almoner and Charity Steward (to rank above Deacons) and he may also appoint as *additional* officers a Chaplain, Director of Ceremonies, Mentor, Assistant Director of Ceremonies, Organist, Assistant Secretary and Stewards (B.C. 104), but no others.

The Immediate Past Master of the Lodge is not an Officer by virtue of that rank.

A Past Master rejoining the Lodge in which he formerly occupied the Chair, takes rank immediately below the Brother who is Master at the time of his rejoining.

Every Brother who has been initiated into Masonry in a Regular Lodge not under the Constitution of the United Grand Lodge of England shall, previous to his becoming a member of any Lodge, make a declaration in open Lodge in conformity with Rule 163 B. of C., and wear English Craft Regalia. The Declaration to the Constitution of the United Grand Lodge of England must be recorded in the Minutes of the Lodge.

No candidate should be proposed for initiation until enquires have been made as to his suitability. If a candidate has no permanent home or business address in the Province, Rule 158 B. of C. must be observed.

No Member from a Foreign Constitution who wishes to join a Lodge in the Province should be proposed without reference to the Provincial Grand Secretary, as Members have been elected and subsequently found ineligible.

When considering a member for Honorary Membership, approval should first be obtained from the Provincial Grand Secretary.

Secretaries should always have at hand for reference, up-to-date copies of the Book of Constitutions, the By-Laws of Provincial Grand Lodge, the By-Laws of the Lodge, and the Masonic Year Book.

Amendments to By-Laws of Craft Lodges in the Province must be submitted to the Provincial Grand Secretary for approval. When approved, three *printed* copies should be sent to the Provincial Grand Secretary, one of which will be forwarded to the United Grand Lodge of England, and one returned to the Lodge.

When a Lodge Meeting is held under a Dispensation, the Dispensation should be read immediately *after* the Lodge is opened.

## NOTES FOR DIRECTORS OF CEREMONIES

---

The Lodge Director of Ceremonies is responsible for seeing that the Lodge is laid out correctly and attention is drawn to the 'Notes on Ritual and Procedure' which are included at the front of the Revised Edition of the Emulation Ritual. Particular attention should be paid to the sub-section referring to 'The VSL' and to the positioning of the Square and Compasses.

### RECEPTION OF PROVINCIAL GRAND MASTER, HIS DEPUTY, OR ASSISTANT

When the Provincial Grand Master or his Deputy or Assistant visits a Lodge, the Worshipful Master will open the Lodge and before the minutes are taken, an escort of Provincial Grand Officers, who will have remained outside the door of the Lodge and who will have been selected by the Provincial D of C (or his Deputy or Assistant) will form a procession, juniors leading, and precede the distinguished visitor into the Lodge.

**The Worshipful Master, standing in his place, offers his gavel to him.**

**The gavel should not be offered to any other Provincial Grand Officer.**

The same Provincial Officers, order reversed, will escort the visitor from the Lodge after closing. (Should a member of the **escort** be an acting officer of the Lodge he will not wear his Lodge collar either during the procession in or out. This does **not** apply to the Lodge D.C., A.D.C., S.D., J.D., S.W. or J.W.).

### RECEPTION OF VISITORS

The D. of C. should see that each visitor before his admission to the Lodge is properly vouched for or properly examined by a qualified Officer. A visitor not vouched for must produce his Grand Lodge Certificate prior to his examination. The D. of C. (or his Assistant) should meet visitors on their entrance to the Lodge Room and conduct them to their seats to the right of the Master. No Brother is allowed to vouch for a visitor unless he has sat with him in open Lodge.

### ARRANGEMENT OF SEATS

The Provincial Grand Master, his Deputy or Assistant should be seated on the Master's immediate right. (*A Provincial Officer e.g. Warden, when specially visiting a Lodge representing the Provincial Grand Master shall be placed on the immediate right of the Brother presiding (B.C. 124).*)

Any Officer, Present and Past of Grand Lodge should be seated on the Master's right in order of seniority, next to the Assistant Provincial Grand Master.

The Provincial Group Representative, acting Provincial Grand Officers of Suffolk (in rank order) and Visiting Masters (in numerical order) should then be seated next to the Grand Officers.

The Past Masters of the Lodge should be seated on the left of the Master, the Immediate Past Master first, then the Chaplain, followed by the others in order of rank, seniors first.

The Treasurer's seat is normally at the Secretary's table.

## WHITE TABLE PROCEDURE

The following policy should be followed when Ladies or Non-Masons are present.

A 'White Table' should be avoided at Installation, or Initiation meetings.

An Official Visit should not preclude the holding of a 'White Table'.

The charity collection should be taken during the Lodge meeting.

If the Provincial Grand Master (or his Deputy or Assistant) is present on an Official Visit, the after-proceedings will be conducted by the escorting Provincial (Deputy or Assistant) Director of Ceremonies.

At the after-proceedings, the WM should be referred to as 'Worshipful Master'.

When addressing the assembled company, the prefix 'Ladies, Gentlemen (if present) and Brethren', should be used.

When saying Grace, it is preferable to omit Masonic references. The WM should refer to the Brother saying Grace as 'The Lodge Chaplain'.

The following wine-taking *only* should be observed:

The Worshipful Master will be pleased to take wine with the Provincial Grand Master/DPGM/APGM.

The Worshipful Master will be pleased to take wine with you all and requests that you remain seated.

The Provincial Grand Master/DPGM/APGM will be pleased to take wine with you all and requests that you remain seated.

'The Most Worshipful The Grand Master His Royal Highness the Duke of Kent'.

'The Provincial Grand Master'.

*The Tyler's Toast and 'Fire' is **not** to be given*

The RWPGM gave his address:-

Congratulations to all of those who have received their Provincial honours today, whether they be first appointments or promotions; they are all well-deserved and I trust that all who received them will use their new seniority to help them achieve even more than they have already done to date which justified the honour in the first place.

I would like to share with you today what I have been doing in the Province over the last six months or so.

I have been making an official visit to a lodge or chapter every week and attending regular Regional Communication Group meetings and various meetings and conference calls with the Pro Grand Master or one of the other Rulers that all PGMs attend.

What with these meetings, Quarterly Communications, Supreme Grand Chapter, the Grand Investiture and as well as attending my own lodges and chapters (plus the odd extra event I am asked to attend here and there) it adds up to me being makes me a pretty a busy mason- but no less busy than my deputy, assistants or other active provincial officers.

However I need to be careful to ensure we all allowing enough time for the other important parts of our lives and the same might be true for others in this room... Nonetheless there is much to do and there is a lot of work going on as the Province evolves and progresses.

If a barometer of the health and mood of the Province is the apparent success of Festival 2029, I am pleased to think that morale is good. Anyone at the Festival launch in the cathedral on 22 March, or who has seen the Provincial Grand Charity Steward on his rounds reporting an ever-increasing pot of cash being collected will know we are in rude health and good spirit.

So it's not surprising when I hear, as I have on a couple of occasions, 'if the Province isn't broken, why try to fix it?'

Speaking candidly, such comments are often made by those who might prefer to resist change; whose ascent in masonry may have plateaued, or who is challenged to think about doing things differently so we might do better when it comes to engaging with our newer members or communicating with non-members of our lodges, or even non-masons.

And it's true; the Province is not broken. But nor is my car.

However, if I don't book my car in for its regular service and MOT, don't keep the fuel, oil and fluids topped up and if I only drive it by looking through the rear-view mirror, you know how that's going to end up, don't you?

So if we are going to be completely honest with ourselves we must acknowledge, as in fact most of you have, that change is inevitable. It is happening, and there is more to come but it is not something that should give anyone, any concern.

Nothing that is being done is, or is meant as a criticism or comment on how the Province has been run to date; I remember with great fondness the grace and authority of the late Bob Tile's leadership and Barry Ross' proficient and laid back manner that was developed by Ian Yeldham's bon homie, energy and enthusiasm. We have been very fortunate in recent times to have been led by these great masons and I know that I have the full support of Barry and Ian, in the same way that they had the support of Bob, and Pip Kay before.

Since getting over the shock of the first of those changes; me, we have combined the roles of Provincial Grand Scribe E and Provincial Grand Secretary, replaced 9 Group Reps with 14 Visiting Officers, completely redesigned the way that the Executive Lodge; PJK operates and every collared officer has sat down with me (or will soon) to discuss their roles, responsibilities and plans for the future.

And I hope you have already noticed better Provincial communications, not just about lodge business but about Provincial work; you may follow me on Instagram (Suffolk MEGS or Suffolk PGM) or heard our first Podcast or even seen the address I delivered at Provincial Grand Chapter online, just as a recording of this address will be uploaded online too. These initiatives are in addition to the publication of Forum and the updating and upgrading of our website which is a task long overdue.

With regard to other, personnel changes, we got an additional APGM in November which actually created a fundamental change that might not be obvious at first sight. By having two APGMs there became an urgent need for each of them to have a separate and distinct purpose which is one reason why so much work has been done on the way in which the Province works.

'APGM1' - Ralph Robertson- is now responsible for oversight of the Visiting Officers, the Director of Ceremonies, Almoner, Charity Steward, Orator and for Community Engagement, while 'APGM2' - Dean Willingham- will be responsible for overseeing Membership, Mentoring the Light Blues and Provincial Communications.

As we are talking about the roles of the new APGMs, I must acknowledge the service of the last APGM, WBro Bob Lee. Bob has been such an asset to the Province as APGM and I am certain he will not ever be far away and will continue to support and help as he has always done with his usual style.

Bob was a director of the Southwold Brewer, Adnams and it is clear to all that have worked with him that he has vast experience of managing people and projects, using his charm and dedication to get the best from his colleagues. I have been very lucky to have had his wisdom and support for the last six months and look forward to many future meetings with him as I do not think he has any plans to slow down yet; he has recently offered his services to help Lowestoft Masonic Hall make certain changes to the structure of their business which will help them ensure that Lowestoft continues to thrive as one of the key parts of our Province. Thank you Bob for all you have done, your counsel, friendship and service.

The final change I want to mention is also a thought with which I will leave with you and comes under the heading of Community Engagement. There will be more about this coming to a Lodge near you soon, with information about how, what, where and when and what this all means.

But I pose this question to you now: why are you still a mason?

It is a question I hope that you can answer but if not I encourage you to spend time considering it.

Some enjoy masonry because of the opportunity it affords to enable us to serve our communities and many of you have been doing so long before you heard of the 'third pillar'. But now we have an identified strategy which has Community Engagement as one of its key pillars, we aim to be better at it by creating more opportunities for more masons to do more, or to do what we are already doing with more impact.

The reason why you continue to be a mason and choose to spend your time here at this Provincial Grand Lodge- for which, by the way, I am very very grateful- might be different. If that is the case, fear not, one thing I am not going to try to change is you. On the contrary, we need masons of every sort: the doers, the thinkers, the ritualists and those who manage our lodges and committees. We need those who support our charity stewards and who help our almoners with the widows and members in their times of need. We need those who can tell a good clean joke or who can sing a good song. We need those who bring in candidates as much as we need those who can arrange a fun festive board and we need those who challenge us to justify our actions and our traditions.

We particularly need this last group – usually the young ‘uns who don’t necessarily fall into line or do things the way that you did them, who sometimes need convincing, but at the same time who might point out that, perhaps, some of the old ways of doing things need to be reconsidered so that our ways continue to complement the world in which we occupy, because it is not just the leadership in Suffolk that is changing. Everything is always changing and it is only by changing with the world will we to keep up with it and by so doing we will be able to keep Freemasonry the same; providing a means for personal development while doing good work and having fun.

As you embrace the future & support your new and younger members, I will ensure that the Province supports you and thus, I think I have started to work out why I am still a mason; to help the institution I love to continue to grow and thrive.

The address was very well received by the brethren present.

The RWPGM called on the secretary for any other business.

The secretary reported that a number of apologies had been received and had been recorded and that the Annual Meeting for 2025 is due to be held on the 27th May 2025, and is planned to take place at Holbrok with the annual convocation of Suffolk Provincial Grand Chapter taking place on the same day.

There followed a collection of alms during which the Provincial Choir sang.

The RWPGM closed Provincial Grand Lodge in due form at 1625hrs.

The first verse of the National Anthem was sung.

The closing hymn, Jerusalem, was sung as the Provincial Procession and Distinguished Guests retired from the lodge.

## REPORT OF THE PROVINCIAL GRAND TREASURER

RW Provincial Grand Master and Brethren. I have pleasure in presenting the accounts for the year ending 31st December 2023.

This is my first year as Provincial Grand Treasurer, and it has been a very interesting year. With our new Provincial Grand Master, RWBro Jolyon Berry, taking the baton from RWBro Ian Yeldham this meant an unusual year, with two Provincial Grand Lodge meetings being held in the same financial period. This was always a “known event”, so the previous administration had been prudent by reserving a fund specifically for this. As usual, Suffolk Freemasonry delivered an excellent ceremony and thanks to the precise preparations by the Provincial Secretariat in both the Craft and Royal Arch, the overall cost to the Province was just over £5,000. A combined meeting also meant costs could be shared.

This year has also seen the Building Fund being utilised for the first time. This has taken some time to work through on the part of the Provincial Management team due to lending regulations, but we are now able to help Masonic Centres, if they require it. There are some hurdles still, but the system is now ready, and my thanks go to WBro Barry Whymark for the work he has done on this in raising awareness and assisting with navigating the regulations.

The income in this year was slightly lower overall than the previous year, dues were down by nearly £5,000, which a big factor of this is last year’s successful catch up on debtors and this year showing a normal year. Bank Interest was up, due to a higher bank base rate, and regalia sales were much higher as well. Thanks to WBro Burt Royal who looks after the regalia sales, this has provided a welcome donation to the Provincial funds from the sales through the Suffolk Regalia site.

Overall costs were similar to the previous year but last year a £15,000 donation was made to the Bury St Edmunds Cathedral as an extraordinary item. Allowing for that donation, and this year with the extra PGL meeting and other one off costs removed, costs were higher in real terms when compared. We are in a good position where a near £6,000 contribution to the Provincial Grand Charity will be made from the funds from Provincial dues and Appointment & Promotions. Members have been extremely generous in their appointment and promotion donations for which we are very grateful.

Two of the larger costs, being the Provincial Grand Lodge meetings in May and November are similar to previous years, with the Exceptional November meeting costs being transferred to the Future Events fund. This fund now stands at just under £20,000 and is ready for the next 10 years.

The balance sheet remains healthy, with an increase from last year due to the surplus funds, however this is not directly related to the increase in the bank balances as there has been movement in the future events fund, and with the addition of new Chains of Office, the Province's fixed assets have also increased.

It is my aim to help Lodge Treasurers if they need it. If any Lodge Treasurer has an issue they need help with, or simply in need of some guidance on what they need to do, please do contact me. I will be more than happy to help where I can.

Finally, my thanks to the Auditor, WBro Peter Wilson and the Account Examiners, WBro Roger Young and WBro Keith Cook. Many of you will know that WBro Keith stood in as Treasurer following the sad loss of the previous Provincial Grand Treasurer. Province has benefitted from his help in ensuring the finances were properly dealt with. His assistance in the handover and information has been immensely helpful, and I am very grateful to him.

I propose the accounts are presented for approval and adoption by the Members.

W.Bro. Paul E Rayner  
*Provincial Grand Treasurer*

## REPORT OF THE PROVINCIAL GRAND SECRETARY

Right Worshipful Provincial Grand Master and brethren, I have much pleasure in presenting my annual report for the year ending 31st. December 2023.

The year 2023 will be remembered for several reasons the most important of which was the change of leadership of the Province. We said farewell to R.W.Bro Ian Yeldham as PGM and welcomed R.W.Bro Jolyon Berry in his stead. Ian Yeldham was at the helm of the Province for 10yrs and introduced many policies and procedures that enabled it to run smoothly throughout that decade, growing in membership and the number of lodges. [Three were consecrated during his tenure- Nos 9894, 9931 and 10014] Ian Yeldham left the Province in good heart and the whole membership wishes him well for whatever the future holds.

R.W.Bro Jolyon Berry was Invested at the Royal Hospital School on the 3rd November as PGM/MEGS. That is a day not only the Province will remember for a host of good reasons, but our visitors and guests will also look back on it with fond memories. Feedback confirms that the venue, detailed organisation and enjoyment formed a day for Suffolk Freemasons to be proud of.

The PGM has hit the ground running and in his first 2 months he has proved he has the vision, energy, and commitment to move the Province forward, whilst remembering its history and taking into account the directions arising from UGLE. The “can do” and “yes if” philosophy will be pivotal and the level of engagement with our communities will be high on the agenda. Hang on, we are in for a superb ride!

Several Brethren were honoured with first appointments in Grand Lodge or a promotion to higher rank this year. First appointments to Past Assistant Grand Director of Ceremonies for Paul Norman, Graham Seward and Geoffrey Spencer. One promotion was awarded to James Thom KC to Grand Registrar. Congratulations to all these which were well deserved.

The close connection now held between Bury St. Edmunds Cathedral and the Province continues to bond stronger than ever. The Dean, Very Reverend Joe Hawes has spoken highly of the charitable work we do and was delighted to receive a cheque from the Province for the “chair appeal”. This was presented at the 250 Lodge meeting last April.

The Hermes team lead by Geoff Spencer has again proved a major asset to the Province. The involvement of Geoff, Paul Filby and Richard Vickerstaff on a day-to-day basis has enabled all the Provincial secretaries /scribe Es to access almost immediate answers to any questions raised. The Province is very aware of the commitment the team has given and my thanks are recorded to them for their hard work and dedication.

The Craft and Royal Arch have been tasked with several initiatives which revolve around the “Strategy for Freemasonry 2022 and beyond” and a major part of that is the Membership Challenge. A lot of work has been carried out by the Provincial Membership and Mentor Officers who have staged several informative sessions geared at lodges being able to identify the various facets that constitute making a viable membership action plan.

The goal set by UGLE for a 1% growth rate has been recognised as a formable task but the membership team is working hard to move towards that goal. Many lodges have performed double ceremonies to ensure prospective candidates do not have to wait a long period to join. Several of these have come through our own website or the national digital marketing campaign and the membership team are actioning the enquiries and recommending lodges that would appear to suite the applicant’s needs. There are further initiatives to roll out which will expand on the sound footings set out by the team.

Brethren, there have been many very successful events during 2023; the Year of the Almoner and Almoners conference were a great way to raise the profile of the lodge almoner and Jamie Gwatkin crowned the year with the event at Euston Hall where 200 veterans and helpers had a very successful day for Military Veterans in conjunction with The Not Forgotten charity.

The Province has a team of dedicated, hard-working Officers and it is my privilege to be part of that team. I learn something every day and I cannot close this secretaries report without mentioning my predecessor, W.Bro Roger Nash. Roger is an encyclopaedia regarding the history and current knowledge of the Province and has been a tremendous help to me in my first few months in office. Thank you Roger for your Secretary’s advice and direction the appointment to DPGM was well deserved.

W.Bro. Trevor Tinley  
*Provincial Grand Secretary.*

## REPORT OF THE PROVINCIAL GRAND ALMONER

RW Provincial Grand Master and Brethren. I am pleased to present my report for the year ending 31st December 2023.

The Almoners in Suffolk have had a productive 12 months, building on the “Year of the Almoner 2022” and the signing of the Armed Forces Covenant initiatives the previous year.

The delivery of care and support will always be the primary focus of every Almoner. A total of 61 awards (56 in 2022) were made totalling £353,247 (£305,981 in 2022) to 79 recipients. Interestingly, support for Health, Care and Wellbeing increased by 2% which reflected the demand for medical procedures as the NHS struggles post COVID. Suffolk continues to receive more funding from the MCF than it generated during the last Festival (spread over 5 years).

Emergency Provincial help from the Suffolk Provincial Benevolent Fund continued over the year. The Fund balance increased by £582 (£1,043 in 2022) even after one grant award in the year, thanks to 4 donations (7 in 2022). My sincere thanks go to Old Framlinghamians, Martyn, Perfect Amity, and Lodge of Wisdom for their support. The Fund value at the end of 2023 stood at £20,975 which was just over 50% of the £40,000 target to make the support mechanism sustainable for the long term. If any other lodge wishes to donate to the Fund, please contact your Group Almoner or myself.

A new initiative, the Suffolk Mobility Equipment (loan) Scheme was launched at the Almoners’ Conference in October. It aims to enable Brethren and dependants to borrow on loan free of charge, basic mobility aid equipment that may not be easily available from the NHS or MCF. The range of equipment will include wheelchairs, walking frames, sit and stand movement trolleys etc. The scheme paperwork and storage locations have been completed/secured. We are finalising the storage containers which have been kindly donated by W. Bros Paul Rackham and Neil Tweed and then we will “call” for equipment to be used by the Scheme. W. Bro Dougie Paine will run the Scheme

The Provincial Group Almoner Team was slightly changed in 2023. We were sorry to see the retirement of W. Bro Jon Neill as Group 6 Almoner following his promotion to Provincial Charity Steward & Festival 2029 Chairman. Jon was replaced by W. Bro Trevor Clark. Jon’s bereavement lead responsibilities have been amalgamated with Wellbeing under W. Bro Tony Wooderson.

On Sunday 15th October 2023, the Province held its annual Almoner Conference at Ashlar House, Bury St Edmunds; attended by 92 delegates (124 in 2022) representing 59% of Lodges. The theme “Future Plans...Future Care” saw presentations from VW. Bro Les Hutchinson CEO MCF and Mr Mark Lloyd MD RMBI which highlighted that Suffolk has received £2M (660 awards) for families and charities since 2016. The audience was given an update on MCF services and RMBI’s plans for the redevelopment of Cornwallis Court. The conference heard from a MCF recipient who gave a very memorable talk on how Suffolk Freemasons and MCF have changed her & her family’s life which reinforced the belief that our Almoners & MCF can really make a difference.

On 5th September 2023 the Province delivered its first Military Veterans Day in conjunction with the Not Forgotten charity. The event was held at Euston Hall, home of Lady Clare, Countess of Euston, and Lord Lieutenant of Suffolk and was supported by the Provincial Rulers and 24 volunteers from the Provincial Grand Stewards Lodge, the Group Almoner team, and other masonic service personnel. The “Drive-In Garden Party” was a huge success on a beautifully hot day. Over 100 veterans and their families (totalling 220 invitees) from surrounding areas were treated to a programme of music from cowgirls line-dancing to tribute band The Take That Experience. There was such a feeling of joy and happiness that afternoon; veterans who in some cases hadn’t left their homes for long periods of time made it out of their cars and were even up singing and dancing. Others reconnected with old comrades or found new friends amongst people with a shared (and often difficult) life experience.

“I always leave these events with the biggest smile on my face” said one guest, “and often a real sense of achievement too. I got up and danced today, which I haven’t done in a long time!” Another explained: “It lifts the spirits and fills our bank of memories; we need things like this.” For a veteran it’s difficult to underestimate the impact this can have on an individual and their family. Two more events at Helmingham Hall & Blenheim Palace are planned in 2024, although the Not Forgotten want to do 10 events across the country!

Awareness and Knowledge transfer remained an essential ongoing activity. The PGA and AST visited lodges and delivered their presentations “The inner workings of the Lodge Almoner” and “Where does all the money go?” to enthusiastic audiences. “Better Lives” magazines and MCF brochures were sent to all Lodge Almoners for distribution and handouts were available at the conference. The Provincial Almoner webpage (<https://www.suffolkpgl.org.uk/support/almoners>) has been updated with all information and contacts. This includes all MCF briefings which were circulated throughout the year.

The Almoner Induction Training Module was updated and delivered by Bro. Andy Hunt (Training Lead) in April and November. Certificates were awarded to 13 almoners who completed the online test. This is an essential briefing for any new Almoner and another course will be run in April 2024.

A new widows' friendship group was started in Sudbury in December 2023 by Mrs Julie Gentle ably assisted by her husband W. Bro Andy Gentle, a number of masonic wives, and several Almoners. A good number of widows attended and appreciated the inaugural event and are looking forward to a lunch in Spring 2024.

Our work has extended outside our Province. I have attended Almoner Conferences in Norfolk and Surrey, where we were asked to talk about mental wellbeing. Further visits and talks are planned in East Kent, Essex, and Cambridgeshire in 2024.

Overall, a rewarding year. However, none of the above would have been possible without the support of my Provincial Group Almoner team, Mrs Caroline Wales (AST from MCF), the Lodge Almoners and their supporting Brethren. We can all be proud of our achievements.

The plan for 2024 is to consolidate on the foundations laid so far. We will fully roll out the Suffolk Mobility Equipment (loan) Scheme, develop the Military Days, and build more partnerships with organisations in Suffolk.

W. Bro Jamie Gwatkin

## REPORT OF THE PROVINCIAL MEMBERSHIP AND MENTORING TEAM

Right Worshipful Provincial Grand Master and Brethren of the Province of Suffolk, we have pleasure in presenting you our Membership and Mentoring Report for the year ending 31st December 2023

It has been a challenging year for Membership attraction and retention. The Membership and Mentoring Team had been expecting a small reduction member numbers as a result of the ‘COVID effect’ and the effect of the cost of living putting extra strain on members’ finances. As such, we have seen 108 new initiates, which is just under the average of 109 for the past 10 years (excluding the main year of COVID 2020), with an above average 107 resignations. All other ‘ins and outs’ are just about in line with the average with the exception of Exclusions which is three times the average for the past 10 years and appears to be largely as a result of non-payment of Subscriptions. Which means our final number of individual Suffolk Members at the 31st December 2023 is 2484, a figure we are planning to improve on over the next year.

The Average Age of the Initiates in 2023 was 43½ which continues to gradually drop by approximately one year younger per year, and to put that into context the average age of the full membership is 63½ . We have 60 Brethren aged 30 or under, 498 aged 50 or under.

In 2023 we received 129 enquiries for membership into the Province, of these more than 60 have been spoken with and processed. Of these 32 found us using the Suffolk Website and the others via UGLE or other Provinces.

Of the 108 initiated in 2023, 24 were referrals from Province, making 22% of new Brethren coming into Freemasonry by means of Social Media or Internet Enquiries. In conjunction with the Communications Team, we are planning Social Media Campaigns to continue this growth of introducing new members to Suffolk. Make sure your Lodge is well placed to take advantage of Brethren looking to be initiated or join a Lodge. We strongly recommend you update your Lodge’s Profile, make use of existing processes and consider the adoption of the Members Pathway for your Lodge to make the experience of the new member as memorable and fulfilling as possible.

On the members 'First Masonic Birthday', an email is sent from the Province to congratulate him. Included in the email is a link to a survey. This is the second year we have been operating this as it worked equally well before Covid. The new Member Survey had 28 Responses from the 115 messages sent with some very useful feedback which one case led to the involvement of the Provincial Team. On the whole, most that responded seem to think Freemasonry has met their expectations and they are enjoying being a Member.

The Suffolk Light Blues continue to play a key role with our approach to engaging newer and younger members. Suffolk Light Blues have seen gross growth of c.3% this year, with membership now firmly at the 1100 mark. Whilst the group have acted slowly as we come out of the pandemic and have sought to navigate the cost of living crisis, there will be an increased focus on methods of combatting these issues to drive down resignations from newer members. In particular, the group will see some reorganisation, more events, and a new dimension by incorporating the Royal Arch.

This will be the last report that will include contributions from W.Bro Dean Willingham as he moves on to become Assistant Provincial Grand Master. Overseeing the Membership and Mentoring activity will still be part of his remit. We would like to thank Bro. Dean for all that he has done for the Province over the years as Mentor and Membership Officer, and wish him well in his new Office. Likewise, we wish his successor, W.Bro Charlie Neale all the very best as he takes on this significant role in Suffolk alongside W.Bro. Paul Rackham the Provincial Grand Mentor.

Already underway is the planning and recruiting of new initiatives and resources to the Team. This includes recruiting new team members to operate a newly formed Members Contact Centre, which aims to be even more involved in being in touch with prospect candidates, new members, established members looking for 'non-almoner' assistance and to work on retrieval.

This means a significant change to the process when a member resigns. At the moment once a notification of a resignation comes through to the Provincial Team we only act in very specific circumstances and only contact the resigning member after we have informed the Lodge. However, with the additional resources available and to help address the numbers of resignations, the Provincial Membership and Mentoring Team will attempt to contact ALL members who resign for reasons other than health. This is to try and ascertain the real reasons members leave Suffolk Freemasonry and attempt to help, or at least learn what we can their experience. Those moving to other areas will also be contacted to help assist with their continuation of their Freemasonry once settled in the new area.

The Team will also include a Members Pathway Champion who will head up the research of this excellent initiative and offer presentations and assistance to those Lodges wishing to incorporate some or many of the methods that have been well documented and making a huge difference to Lodges across the country.

Detail of changes, meetings or additional resource coming available will be communicated to Lodge Secretaries, Mentors and Membership Officers.

## **REPORT OF THE PROVINCIAL GRAND CHARITY STEWARD**

RW Provincial Grand Master and Brethren, I am very pleased to present my report as Provincial Grand Charity Steward for the year ended 31st December 2023.

### **The Masonic Charitable Foundation (MCF):**

In the last year or so the MCF has continued to award just over £26 million in grants and services to support some of the most disadvantaged and vulnerable people and local and national charities.

Over 4,000 individuals or families have been supported, with 451 charities receiving funding and many hundreds of people have accessed their free counselling services during the past year.

The MCF has continued to provide the Province of Suffolk with significant support during the last year. During this time, it has helped over 60 disadvantaged and vulnerable Freemasons or their families in our Province, by supporting them with grants totalling over £200,000. This help included:

- Children, young people and education: 7 grants totalling £14,057
- Daily living costs: 28 grants totalling £94,181
- Health, care and wellbeing: 25 grants totalling £105,431

They also gave grants and match-funded other applications to support donations made via our lodges and our Province.

- Volunteers Suffolk and Cambridgeshire Matched Funding £500 September 2023
- Lowestoft & District Deaf Society Matched Funding £700 September 2023
- RCC Small Grant £15,000 October 2023
- Chaps - Men's Health Charity Matched Funding £1,000 January 2023
- Framlingham flood appeal £1000

Several last minute matched fund grant applications were made in 2023.

### **Non-Masonic Charities:**

The majority of our Charity Stewards have provided returns showing that donations to worthy non-masonic causes continued in 2023.

As in previous years, Lodges have been very generous with their support. The donations reported to me to date are just over £100,000. This is a fantastic outcome. A small sample of the wide range of recipients are listed below:

Non masonic charities	£58,250
Provincial charity relief	£10,900
Donations to Freemasons families	£2450
Lodge widow assistance	£11,700

A Charity Steward's work never ends and as we start 2024 the demands are even greater with the imminent Festival. We have amazing support from our Charity Stewards and I thank them for the support they have given and the way they undertake the work.

### **Relief Chest Information:**

The Relief Chest Scheme is run by the MCF and comprises a free service for Lodges, Chapters, Provinces, and other masonic organisations and can be used to manage charitable giving. This scheme is the most professional operation, and I recommend it. Further details are again available on the MCF website.

- There are 50 Lodge Chests, 3 Chapter Chests and 5 other Chests making a total of 58 Chests combined in Suffolk.
- The balance of all Chests at the end of last month was £354,955.37.
- 72% of Lodges and 9% of Chapters have a Relief Chest.

**Teddies for Loving Care - information provided by WBro David Wilson PPGJD - Suffolk TLC Co-ordinator:**

TLC had an exceptionally good year in 2023. Donations were just over £4,000, and we gave over 2,000 bears to the hospitals we look after in our province. A big milestone is on the horizon when we will reach the 25,000th bear to be given out.

Towards the end of the year we released two new initiatives: - Our brand-new web page (Teddies for Loving Care - Suffolk ([tlcsuffolk.org.uk](https://tlcsuffolk.org.uk)) is now up and running. Travelling Ted is a 25" TLC bear dressed in his dark suit and MM apron who is going round the Lodges promoting TLC and raising money at the same time.

There is also the "Patron" scheme whereby Lodges/Chapters donate a sum in one payment or over a period of 5 years. This entitles them to become a "Patron of TLC" and they can promote this by having a patron TLC bear on their summons as well as receiving a certificate.

And of course, we have our Facebook page (<https://www.facebook.com/TLCAppealSuffolk>) which gives regular updates on what is happening with TLC. We still get lots of "thank you" from nurses, all saying how wonderful the teddies are and wondering what they did before them. Parents are amazed at how quickly the teddies can calm children and help the staff treat the little ones.

I can't stress the difference these small bears can make to some of the children we see in the department and are so very grateful for the ongoing programme we are so fortunate to be part of, thank you.

Finally, a huge thank you to each and everyone who has donated over the past years, your generosity means many small children are given a teddy to relieve their stress and comfort them when needed.

**Suffolk Fishing charity (MTSFC)**

The Suffolk branch of the Masonic Fishing Charity restarted its operations in 2023 following a break caused by the COVID pandemic with one event in October 2023, the full programme will continue in 2024 with several lodges waiting for events in the name of their lodge. This charity demonstrates the service aspect of Freemasonry very well to our community and assists disadvantaged children or young adults and those with disabilities.

**Suffolk Freemasons 500 Club:**

The 500 Club is in the process of moving to an online managed system, which will help reduce the time spent in managing the process.

It is a popular draw and further information will be published in March 2024.

**The Provincial Charity Committee:**

A full review is planned to take place during 2024/25 on the Suffolk Provincial Grant Charity and it's functionality.

**Final Remarks:**

I would like to thank WBro Rick Orme for the excellent manner and standard he has set for me as the incoming Charity Steward. The accuracy and records he has kept over his tenure has enabled me to start the role and the festival planning with ease. Also for his continued support and advice. He has set the bar high and I hope to continue with his high standard.

During the latter half of 2023 much planning was undertaken with the Suffolk executive, the MCF and members of the Suffolk province in ensuring we set the correct culture, goals and focus for our 2029 Festival.

Following the investiture of our Provincial Grand Master we introduced an early launch of our Festival Jewels and the regular payment plan. I am pleased to report that over 200 members signed up for the pre launch, which to us had a total of £150,000 donated. We have a new Festival website and a sound strategy to take us forward. A Festival team has been created that will see us through to 2029 with many plans already in place for many of the main features of the Festival.

I would also like to thank WBro David Wilson for the time and dedication to the TLC appeal which he has relaunched this year with a new website and which continues to go from strength to strength. Also to all those that have offered me help and support in the role of Provincial Charity Steward and Festival chairman, to my Festival team and the executive for your trust, support and guidance and the auditors and examiners of the charity accounts.

Finally, to you all, the Brethren of Suffolk, because without your support and help we would have no charity at all. You should all be immensely proud of our achievements and what we do to support our own masonic members, their families and our communities at large.

W.Bro. Jon Neill

*Provincial Grand Charity Steward*

## **REPORT OF THE PROVINCIAL GRAND COMMUNICATIONS OFFICER**

Right Worshipful Provincial Grand Master and Brethren, I present my Annual Report for the year ending 31st December 2023.

During the course of the year I have co-ordinated and attended visits across Suffolk to many organisations, representing the Province and the Masonic Charitable Foundation, to present monetary donations and grants. Each visit has been a privilege as I get to experience first hand the gratitude expressed by the recipients towards our tireless charitable work.

I continue to supply a good variety of articles to Freemasonry Today and it has been pleasing to see Suffolk feature in the majority of issues of the magazine during 2023 and many times on the UGLE website and social media. This is of course only made possible due to the huge variety of good work that our lodges and chapters carry out.

Each month I receive from UGLE a report detailing media coverage from selected newspapers and radio and over the year it shows that Suffolk Freemasons have featured 27 times, mainly in our local regional newspapers. Whilst I submit articles to these newspapers on a regular basis, the percentage which are actually published still remains a little disappointing.

Our Prostate Testing Scheme organised by Trevor Tinley was once again very successful during the year with four days being held across the province and 250 men tested, which is a little down on 2022. This lower attendance may be partly due to more organisations holding test days and partly to us not using paid for social media advertising as previous, so we may re-introduce this for 2024 as it allows us to target men in the correct age group accurately in an easy and cost effective way.

Suffolk Freemasons public facing social media continues to grow year on year with just under 4000 followers across our Facebook, Instagram and 'X' Twitter accounts and I endeavour to post information suitable for public viewing onto these on a regular basis. Our internal Suffolk Light Blues facebook now has around 1100 members and it is the 'go to' place for up to date information on absolutely everything happening throughout the Province.

In the region of 50-60% of the current membership do not engage on social media so our Forum Newsletter which we email to every member remains an essential means of keeping everyone informed about the latest developments throughout the Province. I always strive to make Forum as engaging as possible and welcome any article submissions that would be of interest to our members.

For myself, the stand-out event of the year was instigated by Prov. Almoner Jamie Gwatkin and saw Suffolk Freemasons hosting a drive in concert for The Not Forgotten charity at Euston Hall. A really memorable day with our members volunteering their time, engaging with over 200 military veterans and their families, all of which resulted in us obtaining nationwide publicity.

During 2023 in conjunction with and behalf of the Management Team I have produced a large amount of printed and online material for use right across the Province, which includes press releases, brochures, advertising literature, online forms, website design, information leaflets and much more. It is a large and substantial part of the work of the Communication Team with many hours each week going into ensuring that the Province continues to convey the correct message to members and of course the general public.

Finally I would like to thank Craig Sennett and Stuart Bowers for their invaluable assistance, together with the Provincial Management Team, individuals, lodges and chapters who have assisted and contributed in the successful promotion of Freemasonry in Suffolk during 2023.

a) The Provincial Grand Charity Steward, E.Comp. D. J. Wilson, stated that his report and statement of accounts was as printed in the Paper of Business.

b) The recommendations made by the Provincial Grand Chapter Charity Committee at their meeting on the 6th March 2024, and as printed in the paper of business were approved.

The M.E. Grand Superintendent then declared the Annual meeting of the Provincial Grand Chapter Charity CLOSED.

9. The M.E. Grand Superintendent stated that only one nomination had been received for the office of Provincial Grand Treasurer, that of E.Comp. K. G. Cook, and that in accordance with Provincial By-Law 11-1, he declared E.Comp. Cook duly elected.

10. On a proposition made by E.Comp. P. Wreathall and seconded by E.Comp. D. J. Wilson, for two account examiners, E.Comp. I. S. Gray and E.Comp. K. J. Larcombe were elected for the ensuing year.

11. The M.E. Grand Superintendent, E.Comp. Jolyon Berry, re-appointed E.Comp. Nigel Wallis Gibson Gregory, P.G.Std.B., as Third Provincial Grand Principal, E.Comp. Roger Maurice Young, P.G.Std.B., as Second Provincial Grand Principal and E.Comp. Timothy John McCormick, P.G.Swd.B., as Deputy Grand Superintendent.

12. The M.E. Grand Superintendent, then appointed and invested the Treasurer and the Provincial Grand Officers for the ensuing year, together with those Companions receiving promotions and first appointments.

13. The M.E. Grand Superintendent then presented his Suffolk Provincial Order of Merit to E.Comp. Daniel Hinshalwood Miller of St Andrew's Chapter No. 1631.

14. The Grand Superintendent then addressed the Companions:

Companions

Congratulations to all of the companions who were reappointed, promoted or who received their first appointments today. Whether you are now an active officer or hold a past rank, I trust that you will continue to carry out your duties in the way that made you deserving of that rank in the first place, whether as one who helped their chapter bring in and support new members, or for helping manage your chapters, or even the Province.

Like many of you I am sure, I have spent numerous hours contemplating what Freemasonry means to me, in particular Royal Arch masonry. While it is obvious and clear why the Royal Arch needs the Craft, I think the Craft needs the Royal Arch too, though the reasoning may be more subtle.

The Craft provides a means for the Master Mason to find his meaning and role in society by contemplation of his interaction with his brethren, but his journey of self-development is not complete until he has also considered his place under the canopy of heaven, which is the subject of the teaching of the Royal Arch.

We are taught that this Supreme Degree, 'denominated the Holy Royal Arch of Jerusalem', is at once the Keystone of the entire masonic structure, which makes this Provincial Grand Chapter the Keystone of Suffolk freemasonry, fundamental to the health and happiness of all of our members, in our lodges, as well as our chapters.

So, in my opinion, this Provincial Grand Chapter and the work we do as Royal Arch Masons really matters to Provincial Freemasonry- for that reason, it should be treated quite seriously.

When the sojourners first descended into the chamber as they prepared the ground for the foundations for the second temple, on the site where the first formerly stood, we all know what they found.

Today, as we opened this Provincial Grand Chapter you have been better able to distinguish the elephant in the room you had before so imperfectly discovered, so let's address it...

I had known for some time before it was confirmed, that I was being considered as a potential successor to the last Provincial Grand Master but I had no idea that I was also being considered to become the next Grand Superintendent too.

As you are probably aware, I had only just been installed as First Principal in my Mother Chapter in London when I was given the honour of leading the Royal Arch in Suffolk. I accepted the role with some trepidation, mindful that I did not have the same sort of knowledge of how this part of the Province is run, and it was hardly a secret that for some, there was a desire for the old way to resume and there should be one head for each of the two Orders here in Suffolk.

Recently I discovered that over the last few years membership of the Royal Arch in Suffolk had fallen to below 1,000 with the result that we were unable to make as many promotions and appointments today as has been the case in the past.

This invites any who think that new ideas and initiatives are unnecessary to reconsider, and, if we are going to take our duties as leaders in the Royal Arch seriously, we have to acknowledge that there is work to be done in the Province by the Royal Arch as well as by the Craft.

We learn that craft masonry is temporal and the Royal Arch is spiritual. I consider one being the left to the other's right hand – or perhaps, if our Lodge is of the head then our Chapter is of the heart.

As we work to bring more companions into the Royal Arch, I suggest that the left hand should know what the right is doing and the head should not rule the heart - or the other way around, so it is right that here in Suffolk the roles of PGM and Grand Superintendent should reside in the same person.

No longer will decisions be made only for the benefit of one order or the other; as the executive committees merge, those that manage Suffolk Freemasonry are managing Freemasonry from the keystone of its entire structure.

Bringing the heads together was the first change to our structure but from today, Provincial Scribe Ezra and the Provincial Grand Secretary are also the same person, and the Provincial Almoner now holds the same office in both Orders too. Companions, there may be other offices in future that also become joint and in future, we will arrange joint Provincial Grand Chapter and Lodge meetings at Holbrook.

Pausing here for a moment, I would like to mention E.Comp Bob Heavisides who was only Provincial Scribe E for a year. Had things have been different; I have no doubt he would have continued successfully for a long term of office. During his year, Bob demonstrated qualities of great efficiency and accuracy in all that he did. I wish to record my thanks to him, and to Kelvin Larcombe who held the same office before him, but for a similarly short period.

Both of them stepped in when help was needed most, following the sudden, unexpected death of their predecessor Nick LeGrys. They then had to manage the Province during Covid after which they had to manage a transition of leadership from David Boswell to Ian Yeldham. Trying to manage three Grand Superintendents in four years is no mean feat, but set in the context of those other challenges it really sets out their commitment and resolve and we should all be very grateful. Thank you Bob!

By virtue of him also being a 'double-header', the new Provincial Scribe E, Trevor Tinley will necessarily have to delegate more to his Assistant, E.Comp Graham Seward. Companions may become used to hearing more from the Assistant Scribe E than may have previously been the case and I thank you in advance for the support I ask you to give to our new secretariat as it settles into a new routine and works out how to manage the two halves of the Province as one organisation.

Since my investiture, I have thought it appropriate that despite the fact that lodges outnumber chapters in Suffolk by more than two to one, I spend equal time visiting chapters as I do lodges - at least for the time being. I thank all of the companions who have welcomed me so warmly into their Chapters over the last six months.

So far I have been welcomed officially to

- Royal Clarence
- St Margaret's
- Felix
- Royal Sussex
- Mildenhall
- Faith, and
- Royal Alexandra Chapters

and I pay particular thanks to E.Comp Daryl Griffiths, Most Excellent Zerubbabel of White Rose Chapter which I visited in March, when he allowed me to surprise the convocation by not returning the sceptre and exalting their newest companion.

I do love a good exaltation; its a ceremony with a real story that has a clear beginning, middle and end and done well provides one of the finest examples of masonic ritual. When supplemented by one or more of the lectures, it offers a comprehensive explanation of the Order and the foundation for many years of contemplation.

But our ritual can be challenging. While I have every sympathy for those involved, it is always with a tinge of regret to learn that a chapter must recycle its Principals and I am sure that some companions are being put-off from taking up office by the amount of work that appears to be necessary to ensure that a ceremony is well delivered. And, it really does need to be delivered well if we are going to keep our companions engaged and inspired by Royal Arch Masonry.

As far as the Pro First Grand Principal is concerned, it is perfectly acceptable for the work of the First Principal, and for the work of the Principal Sojourner to be shared out. Conveniently, there are three Principals and three Sojourners, and three parts to the exaltation ceremony. Sharing the work so it can be done well has to be preferable to reading it; I happen to agree with the Pro, and am encouraging some chapters to consider adopting new ritual (namely Savage Club ritual) or modifying their usual ceremonies with the aim to find a new way of doing things well which will probably inspire and engage more companions than seeing thing things done not-so-well (albeit conforming to the way that things have always been done).

Companions, I have packed a lot into my first six months as Provincial Grand Master and Grand Superintendent and have tried to do the same in this address by sharing with you my philosophy while trying to reassure you that the work we all have to do will be for the benefit of Suffolk Freemasonry for the long term.

I am looking forward enormously to the next 12 months of Royal Arch Masonry in Suffolk and leading us to stronger numbers within a Province that is leading the way nationally.

15. The M.E. Grand Superintendent then enquired if there was any other business.

The Provincial Grand Scribe E stated that he had received apologies from several MEGS, Provinces, and Companions, all of which had been recorded.

16. It was then announced that the next Annual Convocation would be held on Tuesday the 27th of May 2025 at Holbrook, on the same day as the meeting of Provincial Grand Lodge.

17. M.E. Grand Superintendent called for the collection of Alms.

18. The Second Provincial Grand Principal proposed a vote of thanks to the Companions of Royal Sussex Chapter No. 376 for the loan of their Chapter furnishings, and to the members of the Provincial Grand Stewards' Chapter No. 9215, and numerous other Companions for their assistance.

19. M.E. Grand Superintendent closed Provincial Grand Chapter in Antient and Regular form with the Companions singing the first verse of the National Anthem.

## **REPORT OF THE PROVINCIAL GRAND TREASURER**

Most Excellent Grand Superintendent and Companions all. I have pleasure in presenting the Provincial Grand Chapter accounts for the period ending 31<sup>st</sup> December 2023.

The net result was a surplus of £581, with increases in both income and expenditure. The level of income in 2023, after adjusting for MEGS retirement gift in 2022, was over £5k better and the highlights were:

- Core Income from Chapter Dues increased by c£4.5k as a full year's dues were received, having been lower in the two previous years due to Executive decision not to charge for 2021 because of COVID. This was the largest contributor overall and to the year-on-year increase.
- Attendances at both the Provincial Convocation and the Active Officer's Dinner were slightly lower but was partly offset by higher dining fees.
- Appointment and Promotion Fees (Honour Fees) were higher, but in view of expected increased costs of the May Convocation we retained some of the funds but still transferred £2k to the Provincial Chapter Charity (£2,085 in 2022).

- Well done to the Senior Executives for increasing tie sales ten-fold!  
Expenditure was higher by c£2.5k when adjustment is made for MEGS retirement gift. The highlights were:

- The Provincial Convocation costs were higher by£5.6k, however, these included the costs for two meetings, one in May for our usual Annual Convocation and a special meeting in November to install our Most Excellent Grand Superintendent. (Net Cost May £3.1k; November £4.4k)

- Some other costs increased where support was given to Events to attract new members.

- I should mention that we have not yet paid a contribution to the 2023 Year Book, as it was late being published. This will be c£2k, noting that in 2022 we paid for both 2021 and 2022.

The overall result is very satisfactory, given the November convocation costs, and even allowing for the year book costs yet to be paid, the Provincial Grand Chapter's finances are in a healthy position with an end of year General Fund Balance of £28,546.

Annual Chapter dues will remain unchanged at £7 per member, and based upon my forecast, assuming no unexpected large expenses or surprises, a surplus should be achieved, even after allowing for support for some initiatives to help increase Chapter membership across the Province.

It has been an interesting year with the appointment and installation of our Most Excellent Grand Superintendent in November as well as wishing his predecessor a fond farewell at his final Convocation in May. We now look forward to the challenges ahead under our new stewardship.

Finally, I would like to thank the Account Examiners, Excellent Companions Dave Lillis, and Ian Gray, for completing the examination in good time. I would also take this opportunity to thank Bob Heavisides for his assistance and support when needed during the year.

I propose the accounts be adopted.

**REPORT OF THE PROVINCIAL GRAND REGISTRAR**

Most Excellent Grand Superintendent, Excellent Companions, and Companions.

It has been an honour to serve the Province as the Provincial Grand Registrar for the past year. Without doubt the highlight of this has been the opportunity to visit the Chapters as part of the escort in our Province. I have been welcomed with open arms and I have enjoyed witnessing the different ceremonies and visiting the various masonic halls and festive boards. I am impressed by the hard work of the Companions who learn their ritual and do the very best they can.

The current membership of the Chapters is once again slightly down on the previous year, standing at 1182 from the 1195. Unfortunately, it is part of a trend with the numbers in 2021 being 1292.

Resignations were 64 and deaths 25. One factor influencing resignations may be the cost-of-living increase, as resignations from a second Chapter such as Suffolk Installed First Principals is high at 13. There is nothing we can do about deaths.

Companions should be aware that as of 31st January 2024 there were only 940 members. This is different to the memberships of 1178. The difference between the two figure is that some Companions are members of more than one unit. Overall, there has been a consistent drop in members since 2020.

The decline in members means that the Province has had to slightly curtail the Appointments and Promotions this year, due to our member numbers falling below our previous 'ceiling'. With our member numbers falling below 1000, several Provincial Active Appointments/Promotions have been affected, linked to Rule 68 (pg. 34) in the BoC. We have only been able to appoint one DGDC instead of two, one AGDC instead of two, and only four Stewards instead of six.

Encouragingly the number of Exaltees of 42 is up on the 12 of 2022. This increase still does not cover the loss but is positive.

Membership is about keeping and engaging the members you have, making the meetings attractive so that they want to come along and spreading the word to recruit new members. The new Archway scheme is designed to help Chapters with many of the challenges they face. The aim of Archway is to help Chapters become more vibrant and enjoyable. I encourage all Companions to take a look at the scheme and see which parts they can implement to help their Chapters. The materials have been designed around four themes, Shape, Grow, Involve and Enjoy. By taking action to shape your Chapter, enjoying your Royal Arch Masonry and involving and telling others your Chapters will grow.

**REPORT OF THE PROVINCIAL GRAND ALMONER**

Most Excellent Grand Superintendent.

I am pleased to present my report for 2023.

I must firstly extend my sincere thanks to all the Royal Arch Almoners for their efforts over the last year. Once more they have given time and support to those Companions who have needed it.

I have raised the possibility in previous reports that the Chapters in the Province give some thought to combining the role of Almoner with that of “Membership Officer”. I would reiterate that I have no wish to increase the workload of those performing the important work as Almoner, but over the last few years we have seen a slight reduction in the membership of the Royal Arch in the Province. I do feel that the Almoner, with the support of other members of each Chapter is well placed to begin the journey to reverse this decline and in fact with the initiative to bring the Craft and Royal Arch closer together, increase our numbers.

The success of bringing Brethren into the order has not always been matched by the numbers attending the meetings and I would urge all members to make every effort possible to encourage those who are staying away to attend at least one or two meetings per year. I believe that there are some who have just got out of the habit of attending regularly, so a reminder of what a wonderful ceremony the Exaltation of a new Companion is, and of course a great festive board will encourage more attendance.

The link between Craft Masonry and the Royal Arch will be further strengthened with the change to the Provincial Grand Almoner of Craft and Royal Arch being one and the same. W Bro Jamie Gwatkin will bring a wealth of experience and knowledge to the dual role and I wish him every success.

Lastly, I would like to express my appreciation and gratitude to all the Chapter Almoners for the hard work and dedication they have shown during my time as Provincial Grand Almoner, their unstinting contribution to their Chapters shows great commitment and dedication.

Most Excellent Grand Superintendent, that concludes my report.

E.Comp. Paul Wreathall.

## REPORT OF THE PROVINCIAL GRAND SCRIBE EZRA

Most Excellent Grand Superintendent and Companions all.

I write this report for the first time since taking over from my predecessor, E Comp Kelvin Larcombe, And I start by thanking him for his support when I was his Assistant and later during my year of office as Scribe E.

My thanks also go to the Chapter Scribe E's for their help and support during this year and the way they have continued to provide me with information when requested. Their continued efforts to manage the workload upon them and the way they have continued to learn and improve their use of the Hermes system has made my work a little easier.

The 'Chains' visits to our Chapters began once again early in September, with the DC's and Active Officers for the year attending as escorts. On their behalf, can I thank all the Chapters for the warmth of their welcome and hospitality. The Exec in turn, would wish to thank all of the DC's and Escorts for their support since the visits recommenced. Finally on the visits, can I thank the Provincial Assistant Grand Scribe Ezra for all his hard work in ensuring those visits go ahead without a hitch.

We start the proceedings today with our new Grand Superintendent in the chair, whose Installation in November 2023, I was honoured to have helped organise. Whilst we have a change at the Head of the order, there is consistency in the reappointments of the 2<sup>nd</sup> and 3<sup>rd</sup> Grand Principals as well as the Deputy Grand Superintendent. This will preserve a level of cohesion for 2024/25, where we look to develop the theme of bringing the Royal Arch and the Craft closer together.

The 'pause' in Masonic activity caused by the Covid epidemic, although a few years previously, has been felt again in the Province this year by its impact on Provincial 1<sup>st</sup> Appointments. Few, if any new MEZs were installed in 2019/21 and that has had a consequential effect on those eligible for 1<sup>st</sup> Appointment in 2024. For the first time in my memory, a significant number of Chapters were unable to identify members eligible for a 1<sup>st</sup> appointment. Hopefully, 2025 should see a return to normality. Thankfully there was less of an impact on those eligible for Promotion, so our promotions in 2024 are in-line with those of previous years.

Falling numbers of members have also had an impact on the Active Appointments for 2024, as noted in the table below:

Members at start	Members at end	Diff	Exalte	Joiner	Rejoiner	Founder	Foreign joiner	Res	Honorary	Cessation	Exclusion	Deceased	Other
946	941	-5	44	21	2	0	0	47	1	3	1	20	0

Our 2023 active appointments included 2 Deputy Directors of Ceremonies (DGDC) and 2 Assistant Directors of Ceremonies (AGDC). Due to our member numbers falling below 1000, our 2024 entitlement called for just 1 DGDC and 1 AGDC.

Membership will need to increase again to give fuller scope to members for active rank. However, this will be a key point for the MEGS and his executive in 2025 and beyond.

The Grand Superintendent set out his ideas and plans within his inaugural address at the November Installation, and the work during 2024/25 will be putting this into practice. Indeed, this has already started with some of the appointments to Active Rank being joint with the Craft, i.e. Provincial Scribe Ezra and the Provincial Almoner both occupying similar roles in the Craft.

Finally, Most Excellent, this will be my last report as Provincial Grand Scribe E, as I am standing down after this meeting. I wish my successor, E Comp Trevor Tinley, every success in his new joint role. Can I also take this opportunity to thank all of the Chapter Scribe E's for their help and assistance and to the Executive for their help and guidance?

Most Excellent Grand Superintendent that concludes my report.

E. Comp. Robert Heavisides  
*Provincial Grand Scribe Ezra*

**REPORT OF THE PROVINCIAL GRAND CHARITY STEWARD**

Most Excellent Grand Superintendent and Companions, I present my report for the year 2023.

As we approach the launch of the 2029 Festival, visiting Chapters to get them involved is now more important as well as encouraging them to continue to support local Charities in this still challenging time. Also reminding them to utilise their Holding Account is a good way to consider “budgeting” for the Festival by holding money until they decide to use it, because you gain interest on balances and even claim gift aid where possible.

With the Festival in mind, now is the time to have a Charity Steward, the ideal candidate being the Charity Steward from their Craft Lodge. If he is not in The Holy Royal Arch seek them out and get them onboard.

I am still encouraging Chapters in the Province to promote the use of Multiple Donation Gift Aid Forms. This helps the collection of Alms to be simplified by the Treasurers and SPGCC. It also gives an extra 25% to the donation without having to fully complete a donation envelope or slip. In this respect I recommend companions to sign up to the Gift Aid Scheme which issues the individual with a URN (Unique Reference Number) which they can use on Gift Aid Envelopes and Slips.

As usual the SPGCC has been active and holds £86805 in Holding Accounts and £21157 in the SPGCC General Fund and have given jointly £ 11492 to worthy causes in 2023. This is a magnificent achievement and deserves huge recognition and thanks to the Companions for their continued support.

Most Excellent, my thanks must also go to E. Comp’s David Lillis and Ian Gray for their meticulous examination of the accounts and E. Comp John Laverock SPGCC Treasurer for the preparation and production of this year’s account.

E. Comp. David Wilson  
*Provincial Grand Charity Steward*

24th June 2000.

Meeting in March, June, September and December.

Chairman: W Bro Gerry Turner,  
Tel.: (01493) 750418 email: g.turn@btinternet.com

The LGRA Anglia Group is open to holders of London Grand Rank and indeed to any Master Mason; wives/partners and non-Masonic guests are also very welcome.

We meet at the Masonic Hall in Diss, Norfolk in March, June, September and December

Arriving at 10:30am for coffee and biscuits, our informal meetings (no regalia) are followed by a talk or presentation on a wide range of subjects, before enjoying a good 3-course lunch and heading home around 2pm.

Previous speakers have covered such subjects as The River Waveney, Dick Turpin, Concorde, the Suffolk Owl Sanctuary and Punch and Judy.

If you are free on a weekday and would enjoy meeting with a sociable group - and treat your wife or friend(s) to lunch for a little over £25.00/head, come along to a meeting as a guest and see for yourself. You can be assured of a warm welcome and may make some new friends. Drop the Secretary a note to find out more.

## **For Freemasons, for families, for everyone**

The Masonic Charitable Foundation builds better lives by enabling opportunity, advancing healthcare and education and promoting independence for Freemasons, their families and the wider community.

Funded entirely through the generosity of Freemasons and their families, the Masonic Charitable Foundation is one of the largest grant-making charities in the country.

### **Our origins**

The Masonic Charitable Foundation became operational in 2016 to provide a wide range of financial, health and family support to Freemasons, their families and the wider community.

The Foundation brings together the work of The Freemasons' Grand Charity, the Royal Masonic Trust for Girls and Boys, the Masonic Samaritan Fund and the Royal Masonic Benevolent Institution. These charities existed separately under various names from the early 18th Century and provided specific types of support to Freemasons and their families.

### **How do we help?**

A wide range of help and support is available for financial, health and family related needs, including:

#### **Financial**

- Essential daily living costs
- Grants following an accident, redundancy or personal crisis
- Funeral bills
- Minor home repairs

#### **Health**

- Medical treatment
- Dental treatment
- Mobility aids and essential home adaptations
- Respite care
- Counselling

#### **Family Children in full-time education**

- Essential costs for education or training
- Scholarships, travel grants and student accommodation
- Supporting exceptional talent in sport, music or the performing arts

#### **Family Children in full-time education**

- Essential costs for education or training
- Scholarships, travel grants and student accommodation
- Supporting exceptional talent in sport, music or the performing arts

## **Family Older people**

- Masonic care homes including nursing, residential, respite and dementia care
- UK holidays

## **Practical assistance**

The Advice & Support Team offer confidential, impartial and practical guidance about the help we can provide. The Team can also help with applications for state and local authority benefits and can put you in touch with other organisations who can give advice on care, employment and education.

## **Who is eligible?**

Those seeking support must demonstrate the following:

### **A Masonic connection**

Those seeking support must be a Freemason or have a strong family connection to a Freemason under the United Grand Lodge of England. The Freemason does not necessarily need to be a currently subscribing member, but he must have joined before the need arose.

### **A financial, health or family need**

Many needs follow a decrease in household income, but they may also arise because of a life-changing event such as a medical diagnosis, changing care needs, family breakdown or the death of a family member.

## **Can we help you?**

If you would like to speak to someone about the range of support available to Freemasons and their families, please speak to your Lodge Almoner or call our dedicated freephone enquiry line: 0800 035 60 90

Enquiries can also be sent to: [help@mcf.org.uk](mailto:help@mcf.org.uk)

Or write to:

Masonic Charitable Foundation, 60 Great Queen Street, London WC2B 5AZ

## **Community Support and Research**

In addition to the support we provide to Freemasons and their families, the Masonic Charitable Foundation looks beyond Freemasonry, making significant financial grants to charities that help people to live happy fulfilled lives and to participate actively in society.

To achieve this aim, grants are awarded to registered charities that provide support in the following areas:

- Education and employability for disadvantaged children and young people
- Financial hardship for those in poverty, debt or unemployment
- Health and disability for people experiencing chronic or life-limiting conditions and disabilities
- Social exclusion and disadvantage for those facing barriers to participating in society

**We also provide funding to:**

- Advance medical and social research
- Hospices throughout England and Wales
- Air ambulance and rescue services

Funding is also provided to support major natural disaster relief appeals at the discretion of the President.

The charities we support make a significant and lasting difference to people in need. We aim to benefit as many people as possible and further those causes about which Freemasons and their families have told us they are most concerned.

To find out more about our Community Support and Research grants, please visit: [mcf.org.uk/community](http://mcf.org.uk/community)

Alongside the thousands of people helped by our Community Support and Research grants, we have also helped to improve the lives of around 9,000 life-limited, disabled children through our support of Lifelites, a charity which provides educational and fun technology packages for every baby and children's hospice in the British Isles. Founded as a Masonic initiative, Lifelites has become a well-established charity in its own right and fundraises from Freemasons and other sources.

**Fundraising**

We rely upon the generosity of Freemasons and their families to enable us to provide our range of charitable support. We do not fundraise from members of the public or use street collections.

**Festival Appeals**

Each year, four Masonic Provinces hold a Festival to celebrate raising funds for our work. During the years leading up to the Festival, fundraising events and activities take place that make a significant contribution to our income. There are many ways to fundraise including sponsored challenges and social events. We are extremely grateful to everyone who supports us.

**Donating to Festivals**

To find out how to make a donation to your Province's Festival Appeal, please visit [mcf.org.uk](http://mcf.org.uk) or call 020 3146 3333.

**Legacies**

Legacy gifts make an important contribution to the funding of our work. Every gift, large or small, can help to make a difference to those assisted through our grant-making programmes.

### **The Relief Chest Scheme**

The Relief Chest Scheme is a free service that Lodges, Chapters, Provinces and other recognised Masonic organisations can use to manage their charitable giving efficiently.

The Relief Chest Scheme holds the funds in a dedicated account and uses its charitable status to provide a range of benefits to the donor, including reclaiming Gift Aid. The services provided by the Relief Chest Scheme relieve the chest holders of the burden of administration of charity funds, therefore saving time and resources and allowing them to concentrate on fundraising.

For further information, or to open a Relief Chest for your Lodge, Chapter or Appeal, please visit: [www.mcf.org.uk/reliefchest](http://www.mcf.org.uk/reliefchest)

### **OTHER MASONIC CHARITIES**

In addition to the Masonic Charitable Foundation, there are numerous other charities organised and run by Freemasons. There are far too many to list, but they include Provincial Benevolent Funds, Provincial Education and Relief Funds, Trusts set up and administered within individual Provinces, Funds associated with residential housing or supporting particular RMBI Homes, and sundry other organisations big and small, all concerned with caring for others.

10. Alterations to this constitution shall receive the assent of two-thirds of the Members present and voting at an Annual General Meeting or a Special General Meeting. A resolution for the alteration of the constitution must be received by the Secretary of the Charity at least twenty-one days before the Meeting at which the resolution is to be brought forward. At least fourteen days' notice of such a Meeting must be given by the Secretary to the membership and must include notice of the alteration proposed. Provided that no alteration shall be made to Rule 2 (objects), Rule 11 (dissolution) or this Rule until the approval in writing of the Charity Commissioners or other authority having charitable jurisdiction shall have been obtained; and no alteration shall be made which would have the effect of causing the Association to cease to be a charity in law.

## THE ENTERED APPRENTICE'S SONG

This old song (with its proper tune) is ascribed by Dr. Anderson, in the first Edition of the Constitution Book (1723), "to our late Brother, Mr Mathew Birkhead, deceased. To be sung when all grave business is over, and with the Master's leave".

1.           Come let us prepare,  
              We Brothers that are  
              Assembled on merry occasion.  
              Let's drink, laugh and sing:  
              Our wine has a Spring;  
              Here's a health to an Accepted Mason. (*All charged*)
  
2.           The world is in pain  
              Our secrets to gain,  
              And still let them wonder and gaze on.  
              They ne'er can divine  
              The Word or the Sign  
              Of a Free and an Accepted Mason.
  
3.           'Tis this and 'tis that  
              They cannot tell what,  
              Why so many Great Men of the nation  
              Should Aprons put on,  
              To make themselves one  
              With a Free and an Accepted Mason.
  
4.           Great Kings, Dukes and Lords  
              Have laid by their Swords,  
              Our myst'ry to put a good Grace on;  
              And ne'er been ashamed  
              To hear themselves named  
              With a Free and an Accepted Mason.
  
5.           Antiquity's pride  
              We have on our side,  
              And it maketh men just in their station  
              There's nought but what's good  
              To be understood  
              By a Free and an Accepted Mason.
  
6.           Then join Hand in Hand  
              To each other firm stand;  
              Let's be merry, and put a bright face on  
              What mortal can boast  
              So noble a Toast as a Free and an Accepted Mason

## THE WORSHIPFUL MASTER'S SONG

We may toast in the Craft one another  
 And challenge our friend 'South' and 'West'  
 But the toast above all is our Brother  
 Who rules and presides o'er the rest.  
 The blood in our veins flows the faster  
 As the health is proposed loud and free,  
 Of our excellent Worshipful Master,  
 For a jolly good Mason is he!

### CHORUS

*Here's a health to our Worshipful Master,  
 Whose actions are all 'on the Square',  
 May the Great Architect guide and rule and protect  
 And prosper the Craft ev'rywhere*

Though we greet him with hearty ovation,  
 As monarch o'er all he surveys  
 We must help him on ev'ry occasion,  
 His banner Masonic to raise,  
 Our love and obedience requite him,  
 Our zeal in the cause give him bliss,  
 And our harmonies ever delight him,  
 With a chorus as friendly as this -

*Here's a health, etc.*

At the sound of his voice or his gavel  
 Let smiling attention prevail,  
 None dreaming to cark or to cavil,  
 But cheerfully answer 'all hail!'  
 May his year be a season of gladness,  
 His cup and his cupboard be full,  
 And our way to ward off care and sadness,  
 Is together united we pull.

*Here's a health, etc.*

## THE TYLER'S TOAST

The correct wording is:

“To all poor and distressed Masons wherever dispersed over the face of earth or water, wishing them a speedy relief from all their sufferings, and a safe return to their native country if they desire it”.

(Ancient Charge).
